RAZOR WALKIE TALKIE ATTACHMENT W/BLEETOOTH SAFETY INSTRUCTION GUIDE

Introduction

Thank you for choosing the Razor Walkie Talkie Attachment with Bluetooth. This product is designed to enhance your communication experience while ensuring your safety during outdoor activities. Please read this safety instruction guide carefully to ensure proper usage and maintenance of the product.

General Safety Guidelines

- Ensure that the product is used according to the manufacturer's instructions.
- Regularly inspect the device for any signs of damage or wear.
- Keep the product away from moisture and extreme temperatures to prevent damage.
- Do not use the device while charging to avoid overheating.
- Ensure that children are supervised when using this product.
- Report any unsafe products or accidents to the appropriate authorities.
- Stay updated on recall notices and safety updates via the EU's Safety Gate platform.

Specific Safety Precautions for Use

- **Hearing Protection:** Always use the Razor Walkie Talkie Attachment in conjunction with Walker's Razor Muffs to protect your hearing during shooting sessions.
- **Battery Safety:** Use only the recommended 3 (AAA) batteries. Dispose of used batteries properly and do not mix old and new batteries.
- **WindProof Microphone:** Ensure that the microphone is not obstructed to maintain clear communication.
- **Avoid Distractions:** Do not engage in conversations while performing tasks that require full attention, such as shooting or operating machinery.
- **Channel Settings:** Ensure that you are on the correct channel to avoid interference and ensure clear communication with your team.
- **Use in Safe Environments:** Avoid using the product in areas with high electromagnetic interference which could affect performance.

Instructions for Installation and Usage

Installation

1. **Attach the Walkie Talkie:** Clip the Razor Walkie Talkie Attachment directly onto your Walker's Razor Muffs.
2. **Check Connections:** Ensure that the attachment is securely fastened and that all connections are properly aligned.
3. **Battery Installation:** Insert 3 (AAA) batteries into the battery compartment, ensuring correct polarity.

Usage

- **Power On/Off:** Press the power button to turn the device on or off.
- **Adjust Volume:** Use the tactile rubber buttons to adjust the volume to a comfortable level.
- **Select Channel:** Using the LCD screen, select your desired channel from the 22 available channels and 99 subchannels.
- **Voice Activation:** Activate the Voice Activated Transmit (VOX) feature to enable handsfree operation. Adjust sensitivity as needed.
- **PushtoTalk:** For direct communication, press the pushtotalk button while speaking into the microphone.
- **Monitor Battery Life:** Regularly check the battery life indicator on the LCD screen and replace batteries

as necessary.

Disposal Instructions

- Dispose of the Razor Walkie Talkie Attachment and batteries in accordance with local regulations.
- Do not dispose of electronic devices in regular household waste.
- Check for designated electronic waste collection points in your area.

Contact Information for Further Support

For questions or concerns regarding the Razor Walkie Talkie Attachment, please refer to the manufacturer's contact information provided on the packaging or visit the official website.

By following these guidelines, you can ensure a safe and enjoyable experience with your Razor Walkie Talkie Attachment with Bluetooth. Thank you for your attention to these important safety instructions.
