

AFTERBURNER + RAMJET FOR GLOCK 19 GEN 3® - RADIAN WEAPONS RAMJET BARREL W/AFTERBURNER MICRO COMP FOR GLOCK 19 G3 GRAY

RADIAN WEAPONS AFTERBURNER + RAMJET FOR GLOCK 19 GEN 3® The Radian® AFTERBURNER™ + RAMJET™ combo provide unprecedented recoil reduction and match grade accuracy in a concealed carry package. The threadless barrel design allows effortless installation/removal for cleaning, while LEGAL FOR SALE IN ALL 50 STATES*. The AFTERBURNER™ compensator is machined from stainless steel and the RAMJET™ barrel from hardened 416R SS; both are enhanced with a Radianite™ coating. This combination achieves low friction, high hardness, and high corrosion resistance, making overall durability and erosion from muzzle blast a non-issue. Angled front faces on the AFTERBURNER aid in holstering. The INTRA-LOK® mounting system uses the taper lock principle; a tapered locking screw interfaces with an angled V-groove on the underside of the barrel. This perfectly times the compensator as it locks down onto the upper barrel profile on the muzzle end of the barrel. INTRA-LOK® allows the user to simply slide the compensator over the barrel, insert and tighten the locking screw, making for a simple and repeatable installation process. This system allows the user to easily remove the barrel from the slide for cleaning. Installed onto a Glock™ G19™, the AFTERBURNER™ + RAMJET™ combo increases the overall length of the slide to a G17® allowing compatibility with all G17® holsters. This combination kit is for: GLOCK™ G19 GEN3 (or compatible) *Certain municipalities or counties may restrict its use and certain states may restrict usage under some circumstances. Before installation on your firearm, we recommend you review your state and local laws to determine whether your use is compliant in your jurisdiction. Safety Instruction Guide for AFTERBURNER + RAMJET for Glock 19 Gen 3

Introduction

Thank you for choosing the AFTERBURNER + RAMJET combo for your Glock 19 Gen 3. This product is designed to enhance the performance of your firearm by reducing recoil and improving accuracy. To ensure your safety and the safety of others, please read this guide carefully before installation and use.

General Safety Guidelines

- Always handle firearms with care and treat every firearm as if it is loaded.
- Keep the firearm pointed in a safe direction at all times.
- Ensure that the firearm is unloaded before installing or removing any components.
- Store the product in a secure location, out of reach of children and unauthorized users.
- Be aware of your surroundings and ensure that you have a proper backstop when shooting.
- Follow all local laws and regulations regarding the use of firearms and firearm accessories.

Specific Safety Precautions for Use

- Ensure that the AFTERBURNER and RAMJET components are compatible with your Glock 19 Gen 3 before installation.
- Do not use the product if it is damaged or if any parts are missing.
- Always wear appropriate eye and ear protection when firing your firearm.
- Be cautious of the increased noise and muzzle blast that may result from using the AFTERBURNER compensator.
- Avoid using the product in areas where its use is restricted or prohibited.
- Regularly inspect the AFTERBURNER and RAMJET components for wear and tear.

Instructions for Installation and Usage

Installation

1. **Preparation:** Ensure the firearm is unloaded. Remove the magazine and check the chamber.
2. **Remove the Slide:** Follow the manufacturer's instructions to remove the slide from the frame of the Glock 19.
3. **Install the RAMJET Barrel:**
 - Insert the RAMJET barrel into the slide.
 - Ensure it is properly seated and aligned.
4. **Attach the AFTERBURNER Compensator:**
 - Slide the AFTERBURNER compensator over the RAMJET barrel.
 - Insert the INTRALOK tapered screw into the designated hole.
 - Use the provided TORX bit to tighten the screw securely.
5. **Reassemble the Firearm:** Once the components are securely installed, reattach the slide to the frame of the Glock 19.
6. **Final Check:** Before firing, doublecheck that all components are securely attached and that the firearm is functioning properly.

Usage

- Always follow the manufacturer's guidelines for operating your Glock 19 with the AFTERBURNER + RAMJET combo.
- Familiarize yourself with the increased length of the slide, as it may affect holster compatibility.
- Practice regularly to become accustomed to the changes in recoil and accuracy.

Disposal Instructions

- Dispose of packaging materials responsibly by recycling where possible.
- If the product reaches the end of its life, dispose of it in accordance with local regulations for hazardous materials.
- Do not discard any firearm components in regular trash.

Contact Information for Further Support

For any questions or concerns regarding the AFTERBURNER + RAMJET combo, please refer to the manufacturer's website or contact their customer service for assistance.

By following these safety instructions and guidelines, you ensure not only your safety but also the safety of those around you while using the AFTERBURNER + RAMJET for Glock 19 Gen 3. Always prioritize safety and compliance with local laws when handling firearms.
