

AFTERBURNER + RAMJET FOR GLOCK 19 GEN 4® - RADIAN WEAPONS RAMJET BARREL W/AFTERBURNER MICRO COMP FOR GLOCK 19 G4 GRAY

RADIAN WEAPONS AFTERBURNER + RAMJET FOR GLOCK 19 GEN 4® The Radian® AFTERBURNER™ + RAMJET™ combo provide unprecedented recoil reduction and match grade accuracy in a concealed carry package. The threadless barrel design allows effortless installation/removal for cleaning, while LEGAL FOR SALE IN ALL 50 STATES*. The AFTERBURNER™ compensator is machined from stainless steel and the RAMJET™ barrel from hardened 416R SS; both are enhanced with a Radianite™ coating. This combination achieves low friction, high hardness, and high corrosion resistance, making overall durability and erosion from muzzle blast a non-issue. Angled front faces on the AFTERBURNER aid in holstering. The INTRA-LOK® mounting system uses the taper lock principle; a tapered locking screw interfaces with an angled V-groove on the underside of the barrel. This perfectly times the compensator as it locks down onto the upper barrel profile on the muzzle end of the barrel. INTRA-LOK® allows the user to simply slide the compensator over the barrel, insert and tighten the locking screw, making for a simple and repeatable installation process. This system allows the user to easily remove the barrel from the slide for cleaning. Installed onto a Glock™ G19™, the AFTERBURNER™ + RAMJET™ combo increases the overall length of the slide to a G17® allowing compatibility with all G17® holsters. This combination kit is for: GLOCK™ G19 GEN4 (or compatible) *Certain municipalities or counties may restrict its use and certain states may restrict usage under some circumstances. Before installation on your firearm, Radian Weapons recommend you review your state and local laws to determine whether your use is compliant in your jurisdiction. WHAT'S INCLUDED: 1 - RAMJET Ported Pistol Barrel 1 - AFTERBURNER Micro-Compensator 1 - INTRA-LOK Tapered Screw 1 - TORX Bit

Safety Instruction Guide for AFTERBURNER + RAMJET for GLOCK 19 GEN 4

Introduction

Thank you for choosing the AFTERBURNER + RAMJET for your GLOCK 19 GEN 4. This product is designed to enhance your shooting experience by providing recoil reduction and improved accuracy. It is essential to follow the safety guidelines and instructions outlined in this document to ensure safe usage and compliance with applicable regulations.

General Safety Guidelines

- Always treat your firearm as if it is loaded.
- Keep your firearm pointed in a safe direction at all times.
- Ensure that you are in a safe environment when handling your firearm.
- Store your firearm and accessories in a secure location, out of reach of children and unauthorized users.
- Always wear appropriate eye and ear protection when shooting.
- Follow all local laws and regulations regarding the use and ownership of firearms and firearm accessories.
- Regularly inspect your firearm and accessories for wear and damage.
- Report any unsafe products or accidents to local authorities.

Specific Safety Precautions for Use

- Ensure that the AFTERBURNER and RAMJET are compatible with your GLOCK 19 GEN 4 before installation.
- Do not use the product if it appears damaged or defective.
- Avoid using the firearm in wet or humid conditions to prevent corrosion.
- Be aware of the increased length of your slide when using the AFTERBURNER + RAMJET combo, as it may affect holster compatibility.
- Be mindful of the potential for increased muzzle blast and noise when using this product.
- Always follow the manufacturer's recommendations for cleaning and maintenance.

Instructions for Installation and Usage

Installation

1. **Ensure Safety:** Before starting, ensure that your firearm is unloaded and pointed in a safe direction.
2. **Remove the Slide:** Disassemble your GLOCK 19 GEN 4 by removing the slide from the frame.
3. **Install the RAMJET Barrel:**
 - Slide the RAMJET barrel into the slide.
 - Ensure it is seated properly and aligned.
4. **Attach the AFTERBURNER Compensator:**
 - Position the AFTERBURNER compensator over the RAMJET barrel.
 - Use the INTRALOK tapered screw to secure the compensator in place.
 - Tighten the screw using the provided TORX bit until snug, but do not overtighten.
5. **Reassemble the Firearm:** Reattach the slide to the frame of your GLOCK 19 GEN 4.
6. **Function Check:** Perform a function check to ensure everything is operating correctly.

Usage

- Always ensure your firearm is pointed in a safe direction when loading or unloading.
- Practice safe handling techniques at all times.
- Regularly clean the RAMJET barrel and AFTERBURNER compensator to maintain performance.

Disposal Instructions

- Dispose of the AFTERBURNER + RAMJET product in accordance with local regulations.
- Do not dispose of the product in regular household waste.
- Check with local authorities for proper disposal methods for firearm accessories.

Contact Information for Further Support

For any inquiries regarding safety, usage, or installation, please refer to your local regulations or seek assistance from a qualified firearms expert. Always ensure that you comply with your jurisdiction's laws regarding firearms and accessories.

Thank you for your attention to these safety guidelines. Enjoy your shooting experience with the AFTERBURNER + RAMJET for GLOCK 19 GEN 4 responsibly and safely.
