

AFTERBURNER + RAMJET FOR GLOCK 43 - RADIAN WEAPONS

RAMJET BARREL W/AFTERBURNER MICRO COMP FOR GLOCK 43

BLK/GRAY

AFTERBURNER + RAMJET FOR GLOCK 43 The Radian® AFTERBURNER™ + RAMJET™ combo provide unprecedented recoil reduction and match grade accuracy in a concealed carry package. The threadless barrel design allows for effortless install/removal for cleaning, while LEGAL FOR SALE IN ALL 50 STATES*. The AFTERBURNER™ compensator is machined from hardened stainless steel and the RAMJET™ barrel from hardened 416R SS; both are enhanced with a Radianite™ coating. This combination achieves low friction, high hardness, and high corrosion resistance, making overall durability and erosion from muzzle blast a non-issue. Angled front faces on the AFTERBURNER aid in holstering. The INTRA-LOK® mounting system uses the taper lock principle; a tapered locking screw interfaces with an angled V-groove on the underside of the barrel. This perfectly times the compensator as it locks down onto the upper barrel profile on the muzzle end of the barrel. INTRA-LOK® allows the user to simply slide the compensator over the barrel, insert and tighten the locking screw, making for a simple and repeatable installation process. This system allows the user to easily remove the barrel from the slide for cleaning. Safety Instruction Guide for AFTERBURNER + RAMJET for Glock 43

Introduction

Thank you for choosing the AFTERBURNER + RAMJET for your Glock 43. This product is designed to improve recoil reduction and accuracy while ensuring safe use. Please read this safety instruction guide carefully to understand how to use, install, and dispose of the product safely.

General Safety Guidelines

- Ensure that you are of legal age to purchase and use this product in your jurisdiction.
- Always treat the firearm as if it is loaded.
- Keep the firearm pointed in a safe direction at all times.
- Store the firearm and any accessories in a secure location, out of reach of children and unauthorized users.
- Regularly inspect the product for any signs of wear or damage.
- Report any unsafe products or incidents to the appropriate authorities.
- Stay informed about product recalls and safety updates via the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Before using the AFTERBURNER + RAMJET, ensure you have read and understood the instructions.
- Only use the AFTERBURNER + RAMJET with Glock 43 models.
- Do not attempt to modify or alter the product in any way.
- Always wear appropriate eye and ear protection when firing.
- Ensure that the compensator is securely attached before use.
- If you experience any malfunctions, cease use immediately and consult a qualified gunsmith.

Instructions for Installation and Usage

Installation

1. **Preparation:** Ensure that your Glock 43 is unloaded and pointed in a safe direction.
2. **Remove the Slide:** Follow your Glock 43 manual to safely remove the slide from the frame.
3. **Install the RAMJET Barrel:**
 - Insert the RAMJET barrel into the slide.
 - Ensure it is seated properly.
4. **Attach the AFTERBURNER Compensator:**
 - Slide the AFTERBURNER compensator over the RAMJET barrel.
 - Insert the locking screw into the INTRALOK® system.
 - Tighten the screw until secure, ensuring that the compensator is aligned with the barrel.
5. **Reassemble the Firearm:** Follow your Glock 43 manual to reattach the slide to the frame.

Usage

- After installation, conduct a function check to ensure everything is operating correctly.
- When ready to fire, follow standard firearm safety practices.
- Regularly clean the barrel and compensator to maintain performance and safety.

Disposal Instructions

- Dispose of the AFTERBURNER + RAMJET in accordance with local regulations.

- Do not dispose of the product in regular household waste.
- If the product is damaged or no longer usable, contact local authorities for proper disposal methods.

Contact Information for Further Support
