

AFTERBURNER + RAMJET FOR GLOCK 17 GEN 5® - RADIAN WEAPONS RAMJET BARREL W/AFTERBURNER MICRO COMP GLOCK 17 G5 BLK/GRAY

RADIAN WEAPONS AFTERBURNER + RAMJET FOR GLOCK 17 GEN 5® The Radian® AFTERBURNER™ + RAMJET™ combo provide unprecedented recoil reduction and match grade accuracy in a concealed carry package. The threadless barrel design allows for effortless install/removal for cleaning, while LEGAL FOR SALE IN ALL 50 STATES*. The AFTERBURNER™ compensator is machined from stainless steel and the RAMJET™ barrel from hardened 416R SS; both are enhanced with a Radianite™ coating. This combination achieves low friction, high hardness, and high corrosion resistance, making overall durability and erosion from muzzle blast a non-issue. Angled front faces on the AFTERBURNER aid in holstering. The INTRA-LOK® mounting system uses the taper lock principle; a tapered locking screw interfaces with an angled V-groove on the underside of the barrel. This perfectly times the compensator as it locks down onto the upper barrel profile on the muzzle end of the barrel. INTRA-LOK® allows the user to simply slide the compensator over the barrel, insert and tighten the locking screw, making for a simple and repeatable installation process. This system allows the user to easily remove the barrel from the slide for cleaning. FEATURES Installed onto a Glock™ G17™, the AFTERBURNER™ + RAMJET™ combo only increases the overall length of the slide by .47", allowing compatibility with all G34® holsters. Engineered specifically to run 124 grain and heavier 9MM ammunition. This combination kit is for: GLOCK™ G17 GEN5 / G47™ / G49™ (or compatible) WHAT'S INCLUDED 1 - RAMJET™ Ported Pistol Barrel 1 - AFTERBURNER™ Micro-Compensator 1 - INTRA-LOK® Tapered Screw 1 - TORX Bit DISCLAIMER: "GLOCK" is a federally registered trademark of GLOCK, Inc. and is one of many trademarks owned by GLOCK, Inc. or GLOCK Ges.m.b.H. Safety Instruction Guide for AFTERBURNER + RAMJET for GLOCK 17 GEN 5

Introduction

Thank you for choosing the AFTERBURNER + RAMJET for GLOCK 17 GEN 5. This product is designed to enhance your shooting experience by providing recoil reduction and matchgrade accuracy. To ensure your safety and the safe use of this product, please read this guide carefully before installation and use.

General Safety Guidelines

- Ensure that you are of legal age and possess the necessary permits to own and operate firearms in your jurisdiction.
- Always treat every firearm as if it is loaded.
- Store the AFTERBURNER + RAMJET and your firearm securely when not in use.
- Keep the product out of reach of children and unauthorized users.
- Inspect the product regularly for signs of wear or damage.
- Never modify the AFTERBURNER + RAMJET or your firearm in ways that could compromise safety.
- Report any unsafe products or incidents to the relevant authorities.

Specific Safety Precautions for Use

- Always wear appropriate eye and ear protection when using firearms.
- Ensure that your firearm is unloaded before installing or removing the AFTERBURNER + RAMJET.
- Follow all manufacturer instructions for your GLOCK 17 GEN 5 when using this product.
- Be aware of your surroundings and ensure a safe shooting environment.
- Do not use the AFTERBURNER + RAMJET with ammunition that exceeds the recommended specifications.

Instructions for Installation and Usage

Installation

1. **Ensure Safety:** Confirm that your firearm is unloaded. Remove the magazine and visually inspect the chamber.
2. **Remove the Slide:** Follow the GLOCK manufacturer's instructions to remove the slide from the frame.
3. **Install RAMJET Barrel:**
 - Insert the RAMJET ported barrel into the slide.
4. **Attach AFTERBURNER Compensator:**
 - Slide the AFTERBURNER compensator over the RAMJET barrel.
 - Insert the INTRALOK tapered screw into the designated hole.
 - Use the TORX bit to tighten the screw until secure.
5. **Reassemble the Firearm:** Follow the GLOCK manufacturer's instructions to reassemble the slide onto the frame.
6. **Perform Function Check:** Ensure that the firearm operates correctly without any obstructions.

Usage

- Use only recommended 124 grain and heavier 9MM ammunition.
- After each use, inspect the AFTERBURNER + RAMJET for any signs of wear or damage.
- Clean the barrel and compensator regularly to maintain optimal performance.

Disposal Instructions

- Dispose of the AFTERBURNER + RAMJET in accordance with local regulations.
- Do not dispose of in regular household waste.
- Contact local waste management authorities for proper disposal methods.

Contact Information for Further Support

For any questions or concerns regarding the AFTERBURNER + RAMJET, please refer to the manufacturer's website or customer service resources.

Conclusion

The AFTERBURNER + RAMJET for GLOCK 17 GEN 5 is designed to enhance your shooting experience while ensuring safety. By following the guidelines outlined in this manual, you can maximize the performance of your product while minimizing risks. Always prioritize safety and responsible firearm ownership.
