[Magazines](#) > [Rifle Magazines](#) > [Magazines](#)

DURAMAG 400 LEGEND RIFLE MAGAZINES FOR AR-15 A Legendary caliber deserves a legendary magazine and the 400 Legend Duramag SS delivers the only purpose built magazine for this caliber. With these Duramag SS mags you're getting 400 Legend specific rib geometry which is crucial to reliable feeding and cartridge stack internally. These magazines are also marked with 400 Legend on the body and the follower to help with quick identification. The 400 Legend DURAMAG SS™ is an AR-15 pattern magazine designed for serious shooters who require the most out of their magazines. Constructed from premium 410 Stainless Steel and built with advanced interior and exterior geometries to ensure ultimate reliability and feeding. These magazines utilize Duramag's T-360™ coating to ensure incredible performance and product longevity through the harshest conditions. The 400 Legend magazines are available in 5rd and 10rd capacities and safe for extended storage while loaded. DURAMAG™ will not flex or swell like polymer due to storing while loaded or environmental / temperature changes. When performance and durability are paramount, make the switch to DURAMAG SS™ and never look back. Safety Instruction Guide for DURAMAG 400 Legend Rifle Magazines

Introduction

Thank you for choosing the DURAMAG 400 Legend Rifle Magazines for your AR15. This guide provides important safety information to ensure the safe use and handling of your magazine. Please read this guide carefully before using the product.

General Safety Guidelines

- Ensure that this product is used only for its intended purpose as specified by the manufacturer.
- Always handle magazines and firearms with care, treating them as if they are loaded.
- Keep magazines out of reach of children and unauthorized users.
- Regularly inspect the magazine for any signs of wear or damage before use.
- Report any unsafe products or accidents to the appropriate authorities.
- Stay informed about product recalls and updates via the EU Safety Gate platform.

Specific Safety Precautions for Use

- Always ensure that the firearm is unloaded before inserting or removing the magazine.
- Do not attempt to modify or alter the magazine in any way; this may compromise its safety and functionality.
- Use only ammunition that is compatible with the 400 Legend caliber.
- Avoid exposing the magazine to extreme temperatures or harsh environmental conditions.
- If the magazine becomes damaged or malfunctions, discontinue use immediately and consult a qualified gunsmith.

Instructions for Installation and Usage

1. Installation:

- Ensure the firearm is pointed in a safe direction and is unloaded.
- Align the magazine with the magazine well of the AR15.
- Firmly push the magazine into the magazine well until it clicks into place.

2. Usage:

- To load the magazine, ensure the follower is in the down position.
- Insert rounds into the magazine, ensuring they are aligned properly.
- Do not exceed the magazine's specified capacity (5 rounds).
- After loading, insert the magazine into the firearm as described above.

3. Removal:

- To remove the magazine, press the magazine release button on the firearm.
- Pull the magazine straight down and out of the magazine well.

Disposal Instructions

- Dispose of the magazine according to local regulations.
- Do not throw magazines in regular trash; check for recycling programs or hazardous waste disposal options.

- Ensure that all ammunition is removed from the magazine before disposal.

Contact Information for Further Support

For any questions or concerns regarding safety or product performance, please contact the manufacturer directly. Ensure you have your product details ready for assistance.

Thank you for prioritizing safety while using the DURAMAG 400 Legend Rifle Magazines. Your adherence to these guidelines helps ensure a safe and enjoyable shooting experience.
