

RIFLE PRECISION MICROMETER BULLET SEATING DIES - LEE PRECISION 220 SWIFT RIFLE PRECISION MICROMETER BULLET SEATING DIE

LEE PRECISION RIFLE PRECISION MICROMETER BULLET SEATING DIES

Introducing the new Precision Micrometer bullet seating die. Features dead length bullet seating with smooth, accurate adjustment. Tests prove sliding bullet guide provides cartridges with the least bullet runout. When used as a dead length bullet seating die, the body contacts the shell holder assuring precise uniform seating depth. FEATURES Laser engraved micrometer thimble and body is easy to read with divisions representing one thousandth of an inch, reads just like a precision depth micrometer. Infinitely adjustable, providing precision bullet seating depth. Bullet seating stem is machined and burnished to seat nearly any point style bullet without damage or marking. The case mouth and bullet are held in perfect alignment by a floating bullet guide. The bullet guide is provided with radial clearance to allow the case and bullet guide to align perfectly with the bullet seater screw. The floating bullet guide is reversible, simply unthread guide and re-install to allow seating and crimping simultaneously, an exclusive feature to Lee. This bullet seating die proves accuracy doesn't have to cost a lot.

Safety Instruction Guide for RIFLE PRECISION MICROMETER BULLET SEATING DIES

Introduction

Thank you for choosing the RIFLE PRECISION MICROMETER BULLET SEATING DIES by LEE PRECISION. This product is designed for precision bullet seating in the reloading process. To ensure safe and effective use, please read and follow the safety guidelines outlined in this manual.

General Safety Guidelines

- Always read and understand the product instructions before use.
- Use this product only for its intended purpose.
- Keep the product out of reach of children and unauthorized users.
- Inspect the product regularly for any signs of wear or damage.
- Ensure you are using the correct components and materials compatible with this die.
- Follow local laws and regulations regarding ammunition reloading.

Specific Safety Precautions for Use

- Wear appropriate safety gear, including safety glasses and gloves, when using this product.
- Ensure your workspace is wellventilated and free of clutter.
- Avoid distractions while using the die to maintain focus and safety.
- Do not attempt to modify or alter the die in any way.
- Keep fingers and hands clear of moving parts during operation.
- Be aware of the potential hazards associated with handling ammunition components.

Instructions for Installation and Usage

1. Installation:

- Ensure the reloading press is securely mounted and stable.
- Clean the die and ensure that no debris is present in the threads.
- Thread the bullet seating die into the reloading press until securely tightened.
- Adjust the die to the desired seating depth using the micrometer thimble.

2. Usage:

- Insert the case into the shell holder of the reloading press.
- Place the bullet into the case mouth, ensuring it is aligned properly.
- Lower the ram of the press to seat the bullet. The floating bullet guide will ensure proper alignment.
- Adjust the micrometer thimble for precise seating depth as needed.
- After seating, inspect the cartridge for proper bullet seating and alignment.

Disposal Instructions

- Dispose of any unused or damaged components in accordance with local regulations.
- Do not dispose of ammunition components in regular household waste.
- Check with local authorities for proper disposal methods for hazardous materials.

Contact Information for Further Support

For any questions or concerns regarding the safety and use of the RIFLE PRECISION MICROMETER BULLET SEATING DIES, please refer to the manufacturer's contact information provided in the product packaging or manual.

Conclusion

By following these safety instructions, you can ensure a safe and effective reloading experience with your RIFLE PRECISION MICROMETER BULLET SEATING DIES. Always prioritize safety and compliance with local laws during your reloading activities. Thank you for choosing LEE PRECISION.
