GBRS GROUP HYDRA V2 DUAL OPTIC MOUNT KIT FOR AIMPOINT® DUTY RDS™

HYDRA is the first dual optic mount designed for end-users that offers a 2.91" Optic Centerline for faster target ID, regardless of gear/ equipment obstructions, ie. EarPro/Comms headsets, Gas masks/ CBRN, and Night vision use. A higher Optic allows for a more athletic posture and "Heads-up" attitude that enables the end-users to maintain a vertical spine which translates to body armor or "presenting plates" to the threat. This "Heads-up" style allows for faster processing speed and increased situational awareness.

Safety Instruction Guide for HYDRA V2 Dual Optic Mount Kit for Aimpoint® Duty RDS

Introduction

Thank you for choosing the HYDRA V2 Dual Optic Mount Kit for Aimpoint® Duty RDS. This guide provides essential safety instructions and information to ensure the safe use and installation of your product. Please read this guide carefully before using the product.

General Safety Guidelines

To ensure your safety and the proper functioning of the HYDRA V2 Dual Optic Mount Kit, please adhere to the following general safety guidelines:

- Ensure that the product is used only for its intended purpose.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the product for any signs of wear or damage.
- Report any unsafe conditions or accidents to the relevant authorities.
- Stay informed about product recalls and safety updates via the EU's Safety Gate platform.

Specific Safety Precautions for Use

When using the HYDRA V2 Dual Optic Mount Kit, please observe the following precautions:

- Always ensure that the mount is securely attached before use.
- Avoid using the mount in extreme conditions that may compromise its integrity.
- Do not exceed the weight limit specified for the mount.
- Be cautious when handling sharp tools during installation.
- If you experience any discomfort or difficulty while using the product, discontinue use immediately.

Instructions for Installation and Usage

Follow these steps to properly install and use the HYDRA V2 Dual Optic Mount Kit:

Installation Steps

1. **Gather Tools:** Ensure you have the following tools available: a long reach T10 key, a long reach 3/32" hex key, and a ¼" drive T25 bit.
2. **Prepare the Mount:** Remove the mount from its packaging and inspect it for any damage.
3. **Attach the Mount:**
 - Align the mount with the designated attachment points on your Aimpoint® Duty RDS.
 - Use the T10 key to secure the mount in place.
4. **Secure with Screws:**
 - Insert the screws into the designated holes using the T25 bit.
 - Tighten the screws securely, ensuring there is no movement in the mount.
5. **Check Alignment:** Verify that the optic is properly aligned and securely mounted.

Usage Instructions

- Once installed, adjust the optic to your preferred settings.
- Maintain a proper shooting posture to ensure optimal performance.
- Regularly check the mount for tightness and alignment before use.

Disposal Instructions

When it comes time to dispose of the HYDRA V2 Dual Optic Mount Kit, please follow these guidelines:

- Dispose of the product in accordance with local regulations.
- Recycle materials whenever possible, especially metals and plastics.
- Do not dispose of the product in household waste.

Contact Information for Further Support

For any inquiries regarding safety or product issues, please refer to the EU contact point designated for product safety inquiries. They can provide you with further assistance and information.

Thank you for your attention to these safety instructions. Your safety and satisfaction are our top priorities. Enjoy your experience with the HYDRA V2 Dual Optic Mount Kit for Aimpoint® Duty RDS.
