

HYDRA V2 DUAL OPTIC MOUNT KIT FOR TRIJICON MRO® - GBRS GROUP HYDRA V2 DUAL OPTIC MOUNT KIT FOR TRIJICON MRO FDE

GBRS GROUP HYDRA V2 DUAL OPTIC MOUNT KIT FOR TRIJICON® MRO

HYDRA is the first dual optic mount designed for end-users that offers a 2.91" Optic Centerline for faster target ID, regardless of gear/ equipment obstructions, ie. EarPro/Comms headsets, Gas masks/ CBRN, and Night vision use. A higher Optic allows for a more athletic posture and "Heads-up" attitude that enables the end-users to maintain a vertical spine which translates to body armor or "presenting plates" to the threat. This "Heads-up" style allows for faster processing speed and increased situational awareness.

Safety Instruction Guide for HYDRA V2 Dual Optic Mount Kit for Trijicon MRO

Introduction

Thank you for choosing the HYDRA V2 Dual Optic Mount Kit for Trijicon MRO. This guide provides essential safety instructions and guidelines to ensure the safe and effective use of this product. Please read this guide carefully before using the product.

General Safety Guidelines

- Ensure that the product is used only for its intended purpose.
- Always inspect the product for any damage or wear before use.
- Keep the product out of reach of children and vulnerable individuals.
- Report any unsafe conditions or incidents to the appropriate authorities.
- Regularly check for recall updates on the EU's Safety Gate platform.

Specific Safety Precautions for Use

- **Potential Hazards:**

- Improper installation may lead to equipment failure.
- Inadequate maintenance can affect performance and safety.

- **Instructions for Avoiding Hazards:**

- Follow installation instructions carefully.
- Use only recommended tools for installation.
- Regularly inspect and maintain the mount to ensure it remains secure.
- If you notice any signs of damage or wear, discontinue use immediately and replace the product.

- **Age Specific Warnings:**

- This product is intended for adult use only. It is not suitable for children.

Instructions for Installation and Usage

- **Installation Instructions:**

1. Gather all necessary tools: T10 key, 3/32" hex key, and T25 bit.
2. Ensure the mounting surface is clean and free from debris.
3. Align the HYDRA V2 mount with the Trijicon MRO optic, ensuring the optic is securely positioned.
4. Use the T10 key to tighten the screws securely without overtightening.
5. Check that the mount is stable and does not wobble.

- **Usage Instructions:**

- Always ensure that the optic is securely mounted before use.
- Maintain a proper shooting posture to maximize effectiveness and safety.
- Regularly check the mount during use to ensure it remains securely fastened.
- Avoid using the product in extreme conditions that may compromise its integrity.

Disposal Instructions

- Dispose of the product in accordance with local regulations.
- Do not dispose of the product in regular household waste.
- Consider recycling options where available.

Contact Information for Further Support
