

HYDRA V2 DUAL OPTIC MOUNT KIT FOR AIMPOINT® DUTY RDS"! - GBRS GROUP HYDRA V2 DUAL OPTIC MOUNT KIT FOR AIMPOINT MICRO-T2 BLACK

GBRS GROUP HYDRA V2 DUAL OPTIC MOUNT KIT FOR AIMPOINT MICRO-T2

HYDRA is the first dual optic mount designed for end-users that offers a 2.91" Optic Centerline for faster target ID, regardless of gear/ equipment obstructions, ie. EarPro/Comms headsets, Gas masks/ CBRN, and Night vision use. A higher Optic allows for a more athletic posture and "Heads-up" attitude that enables the end-users to maintain a vertical spine which translates to body armor or "presenting plates" to the threat. This "Heads-up" style allows for faster processing speed and increased situational awareness.

Safety Instruction Guide for HYDRA V2 Dual Optic Mount Kit for Aimpoint® Duty RDS

Introduction

Thank you for choosing the HYDRA V2 Dual Optic Mount Kit for Aimpoint® Duty RDS. This guide provides essential safety information to ensure the safe use and installation of your product. It complies with the EU General Product Safety Regulation (GPSR) to protect consumers.

General Safety Guidelines

- **Product Safety:** This product is designed to ensure safe use when installed and utilized correctly. Always follow the instructions provided in this guide.
- **Enhanced Recalls:** In the event of a product recall, you will be notified through standardized channels. Ensure you stay updated on any recall notices.
- **Online Shopping:** If purchased online, this product is subject to the same safety regulations as those bought in physical stores.
- **Special Consumer Focus:** Extra care should be taken when this product is used by or around vulnerable groups, such as children.
- **EU Contact Point:** For any safety inquiries, please refer to the EU based contact information provided by the retailer or manufacturer.
- **Rapid Alerts:** Stay informed about any unsafe products through the EU Safety Gate system.

Specific Safety Precautions for Use

- **Potential Hazards:**
 - Improper installation may lead to equipment failure or injury.
 - Use of the product with incompatible equipment may cause safety risks.
- **Avoiding Hazards:**
 - Ensure the mount is securely attached before use.
 - Regularly check for signs of wear or damage.
 - Do not exceed the specified weight limit of the mount.
- **Audience Specific Warnings:**
 - This product is not intended for use by children. Ensure that it is kept out of reach of minors.

Instructions for Installation and Usage

1. Installation:

- Gather all necessary tools:
 - Long reach T10 key
 - Long reach 3/32" hex key
 - 1/4" drive
- Ensure the mounting surface is clean and free of debris.
- Align the HYDRA V2 mount with the designated mounting points on your equipment.
- Securely attach the mount using the provided screws, ensuring they are tightened to the recommended torque specifications.
- Doublecheck that the mount is stable before proceeding to use your optic.

2. Usage:

- Always maintain a proper posture when using the equipment mounted on the HYDRA V2.
- Be aware of your surroundings to enhance situational awareness.

- Regularly inspect the mount and optic for any signs of wear or looseness.
- If you notice any instability or wear, discontinue use immediately and consult a professional for assistance.

Disposal Instructions

- Dispose of the product in accordance with local regulations regarding electronic waste and materials.
- Do not dispose of the product in regular household waste.
- Consider recycling components where possible to minimize environmental impact.

Contact Information for Further Support

For additional support or inquiries regarding safety, installation, or usage, please refer to the contact information provided by your retailer or manufacturer. Ensure you have your product details available for a more efficient response.

Thank you for your attention to these safety guidelines. Your safety is our priority, and we hope you enjoy using the HYDRA V2 Dual Optic Mount Kit for Aimpoint® Duty RDS.
