

HYDRA V2 DUAL OPTIC MOUNT KIT FOR AIMPOINT® DUTY RDS"! - GBRS GROUP HYDRA V2 DUAL OPTIC MOUNT KIT FOR AIMPOINT DUTY RDS BLACK

GBRS GROUP HYDRA V2 DUAL OPTIC MOUNT KIT FOR AIMPOINT® DUTY RDS™

HYDRA is the first dual optic mount designed for end-users that offers a 2.91" Optic Centerline for faster target ID, regardless of gear/ equipment obstructions, ie. EarPro/Comms headsets, Gas masks/ CBRN, and Night vision use. A higher Optic allows for a more athletic posture and "Heads-up" attitude that enables the end-users to maintain a vertical spine which translates to body armor or "presenting plates" to the threat. This "Heads-up" style allows for faster processing speed and increased situational awareness.

Safety Instruction Guide for HYDRA V2 Dual Optic Mount Kit for Aimpoint® Duty RDS

Introduction

Thank you for choosing the HYDRA V2 Dual Optic Mount Kit for Aimpoint® Duty RDS. This guide is designed to provide you with essential safety instructions and guidelines to ensure the safe and effective use of this product. Please read this manual carefully before use to avoid any potential hazards and to maximize your experience.

General Safety Guidelines

- **Product Safety:** Ensure safe use of the HYDRA V2 Dual Optic Mount Kit by following all instructions. This product is designed for nonfood use and adheres to the EU General Product Safety Regulation (GPSR).
- **Enhanced Recalls:** Stay informed about any recall notices related to this product. In case of a safety issue, remedies will be provided free of charge.
- **Online Shopping:** If purchased online, ensure that the platform meets safety requirements similar to physical stores.
- **Special Consumer Focus:** Extra precautions are in place for vulnerable groups. This product is intended for adult users only.
- **EU Contact Point:** For safety inquiries, please refer to the designated EU contact point provided by the manufacturer.
- **Rapid Alerts:** Be aware of updates regarding unsafe products through the EU's Safety Gate system.

Specific Safety Precautions for Use

- Always inspect the mount and all components before use. Do not use if any part is damaged or missing.
- Ensure the mount is securely attached to your firearm before aiming or firing.
- Use the product only for its intended purpose. Misuse may lead to accidents or injuries.
- Keep the mount and all accessories out of reach of children and unauthorized users.
- Wear appropriate eye protection when installing or using the mount.
- Avoid using the mount in extreme weather conditions that may affect performance or safety.

Instructions for Installation and Usage

Installation Steps:

1. **Gather Tools:** Ensure you have the necessary tools: long reach T10 key, long reach 3/32" hex key, and a 1/4" drive T25 bit.
2. **Prepare the Surface:** Clean the surface of the firearm where the mount will be installed to ensure a secure fit.
3. **Attach the Mount:**
 - Align the mount with the designated mounting area on your firearm.
 - Use the T10 key to secure the mount in place. Ensure it is tightly fastened.
4. **Check Alignment:** Ensure the optic is aligned properly with your sight line. Adjust if necessary.
5. **Final Inspection:** Doublecheck all screws and connections to ensure stability and safety.

Usage Instructions:

- After installation, familiarize yourself with the mount's functionality before using it in the field.
- Always maintain a proper shooting stance when aiming through the optic.
- Regularly check the mount for signs of wear or loosening during use, especially after heavy use.
- If you experience any issues with the mount or optic, cease use immediately and consult a professional.

Disposal Instructions

- Dispose of the product and packaging materials in accordance with local regulations.
- Do not dispose of electronic components in regular household waste. Follow local guidelines for electronic waste disposal.

Contact Information for Further Support

For any inquiries or support regarding the HYDRA V2 Dual Optic Mount Kit for Aimpoint® Duty RDS, please refer to the manufacturer's contact information provided with the product packaging or on the official website.

By following these safety instructions and guidelines, you can ensure a safe and effective experience with your HYDRA V2 Dual Optic Mount Kit. Thank you for your attention to these important safety measures.
