

LERNA OPTIC MOUNT KIT FOR EOTECH® XPS - GBRS GROUP LERNA OPTIC MOUNT KIT FOR EOTECH XPS FDE

GBRS GROUP LERNA OPTIC MOUNT KIT FOR EOTECH® XPS Lerna is the first stand-alone optic mount designed for end-users that offers a 2.91" Optic Centerline for faster target ID, regardless of gear/equipment obstructions, ie. EarPro/Comms headsets, Gas masks/CBRN, and Night vision use. A higher Optic allows for a more athletic posture and "Heads up" attitude that enables the end-users to maintain a vertical spine which translates to body armor or "presenting plates" to the threat. This "Heads up" style allows for faster processing speed and increased situational awareness. SPECIFICATIONS Materials: Mount Material: 6061 - T6 Aluminum Finish: Type 3 Class 2 Hard Coat Anodize (Black for FDE*) according to MIL-A-8625 Clamp Bar Material: 17-4 PH Stainless Steel H900 Condition Finish: Melonite QPQ Screws Material: 17-4 PH Stainless Steel H900 Condition Finish: Melonite QPQ Washers Material: 18-8 Stainless Steel Finish: Passivated Black Oxide Weight: EOTECH® XPS: 4.2 oz WHAT'S INCLUDED: 1 x Lerna Mount Tools: EOTECH®: Includes ¼" drive T25 bit

LERNA OPTIC MOUNT KIT FOR EOTECH® XPS

Safety Instruction Guide

Introduction

Thank you for choosing the LERNA Optic Mount Kit for EOTECH® XPS. This guide provides important safety information and instructions to ensure the safe and effective use of your product. Please read this guide carefully before installation and usage.

General Safety Guidelines

- Ensure safe use of the LERNA Optic Mount Kit by following all instructions provided in this guide.
- Be aware of potential hazards associated with the installation and usage of the optic mount.
- Regularly check for updates or recalls regarding the product on the EU's Safety Gate platform.
- Report any unsafe products or accidents to the relevant authorities.

Specific Safety Precautions for Use

- Always inspect the optic mount for any damage or wear before each use.
- Ensure that the optic mount is securely attached to your equipment before use.
- Avoid using the optic mount in extreme weather conditions unless specified otherwise.
- Keep the optic mount away from children and individuals who may not understand its proper usage.
- Do not modify or alter the optic mount in any way, as this may compromise safety and functionality.

Instructions for Installation and Usage

1. Installation:

- Begin by gathering the necessary tools, including a ¼" drive T25 bit.
- Ensure that the mounting surface is clean and free from debris.
- Align the LERNA Optic Mount with the designated mounting points on your EOTECH® XPS.
- Secure the mount using the provided screws, ensuring they are tightened to the manufacturer's specifications.
- Doublecheck the alignment and security of the mount before proceeding to use the optic.

2. Usage:

- Position your equipment in a stable and secure manner before aiming.
- Maintain a proper stance to ensure a vertical spine, which enhances posture and situational awareness.
- Regularly practice target acquisition to become familiar with the optic's capabilities.
- If using in conjunction with other equipment (e.g., Gas masks, Night vision), ensure that the setup does not obstruct your view or hinder functionality.

Disposal Instructions

- Dispose of the LERNA Optic Mount Kit in accordance with local regulations.
- Do not dispose of the optic mount with general household waste.
- Consider recycling materials where possible, particularly metal components.

Contact Information for Further Support

For any inquiries regarding safety or product support, please refer to the contact information available on the packaging or the official website of the manufacturer.

By following these guidelines, you can ensure a safe and enjoyable experience with your LERNA Optic Mount Kit for EOTECH® XPS. Thank you for your attention to safety and for choosing our product.
