

LERNA OPTIC MOUNT KIT FOR AIMPOINT® ACRO - GBRS GROUP

LERNA OPTIC MOUNT KIT FOR AIMPOINT ACRO BLACK

GBRS GROUP LERNA OPTIC MOUNT KIT FOR AIMPOINT® ACRO Lerna is the first stand-alone optic mount designed for end-users that offers a 2.91" Optic Centerline for faster target ID, regardless of gear/equipment obstructions, ie. EarPro/Comms headsets, Gas masks/CBRN, and Night vision use. A higher Optic allows for a more athletic posture and "Heads up" attitude that enables the end-users to maintain a vertical spine which translates to body armor or "presenting plates" to the threat. This "Heads up" style allows for faster processing speed and increased situational awareness. SPECIFICATIONS Materials: Mount Material: 6061 - T6 Aluminum Finish: Type 3 Class 2 Hard Coat Anodize (Black for FDE*) according to MIL-A-8625 Clamp Bar Material: 17-4 PH Stainless Steel H900 Condition Finish: Melonite QPQ Screws Material: 17-4 PH Stainless Steel H900 Condition Finish: Melonite QPQ Washers Material: 18-8 Stainless Steel Finish: Passivated Black Oxide Weight: AIMPOINT® ACRO: 4.8 oz. LERNA OPTIC MOUNT KIT FOR AIMPOINT® ACRO

Safety Instruction Guide

Introduction

Thank you for choosing the LERNA Optic Mount Kit for Aimpoint® Acro. This guide provides essential safety instructions and guidelines to ensure the safe use of the product. Please read this document carefully before installation and use.

General Safety Guidelines

- **Product Safety:** Ensure that the LERNA Optic Mount Kit is used according to the instructions provided. This product is designed for safe use and complies with EU safety regulations.
- **Enhanced Recalls:** In the event of a product recall, standardized notices will be issued. Please check for updates regularly.
- **Online Shopping:** Whether purchased online or instore, the LERNA Optic Mount Kit meets the same safety standards.
- **Special Consumer Focus:** This product is not intended for use by children. Ensure that it is stored safely out of reach.
- **EU Contact Point:** For any safety inquiries, please refer to the designated EU contact point provided by the manufacturer.
- **Rapid Alerts:** Stay informed about product safety by checking the EU's Safety Gate platform for any alerts regarding this product.

Specific Safety Precautions for Use

- **Installation:** Ensure that the mount is installed securely to avoid accidents during use.
- **Usage:** Always use the optic mount as intended. Do not exceed the manufacturer's specifications for weight and compatibility.
- **Maintenance:** Regularly check the mount for any signs of wear or damage. Replace any damaged components immediately.
- **Environmental Conditions:** Avoid using the product in extreme weather conditions that may affect its performance.
- **Personal Safety:** Always wear appropriate safety gear when handling or installing the optic mount.

Instructions for Installation and Usage

1. Preparation:

- Ensure you have all necessary tools: a long reach T10 key, a long reach 3/32" hex key, and a ¼" drive T25 bit.
- Verify that you have the correct model of the Aimpoint® Acro for compatibility with the LERNA mount.

2. Installation Steps:

- Begin by cleaning the mounting area on your firearm to ensure a secure attachment.
- Align the LERNA Optic Mount with the mounting points on your firearm.
- Use the T10 key to secure the mount in place, ensuring it is tightened adequately but not overtightened to avoid damage.
- Attach the Aimpoint® Acro optic to the mount using the appropriate screws and tools.
- Doublecheck all connections to ensure they are secure.

3. Usage:

- Once installed, adjust the optic to your preferred settings for optimal performance.
- Maintain a proper stance and posture when aiming to maximize efficiency and safety.
- Regularly test the mount and optic for stability before use.

Disposal Instructions

- When the LERNA Optic Mount Kit reaches the end of its life, dispose of it responsibly.
- Follow local regulations for disposal of aluminum and stainless steel materials.
- Do not dispose of the product in regular household waste.

Contact Information for Further Support

For any questions or support regarding the LERNA Optic Mount Kit for Aimpoint® Acro, please contact the manufacturer directly through the provided channels.

Thank you for your attention to these safety instructions. Proper use and care of the LERNA Optic Mount Kit will ensure your safety and enhance your experience.
