

LERNA OPTIC MOUNT KIT FOR EOTECH® EXPS - GBRS GROUP

LERNA OPTIC MOUNT KIT FOR EOTECH EXPS BLACK

GBRS GROUP LERNA OPTIC MOUNT KIT FOR EOTECH® EXPS Lerna is the first stand-alone optic mount designed for end-users that offers a 2.91" Optic Centerline for faster target ID, regardless of gear/equipment obstructions, ie. EarPro/Comms headsets, Gas masks/CBRN, and Night vision use. A higher Optic allows for a more athletic posture and "Heads up" attitude that enables the end-users to maintain a vertical spine which translates to body armor or "presenting plates" to the threat. This "Heads up" style allows for faster processing speed and increased situational awareness. LERNA OPTIC MOUNT KIT FOR EOTECH® EXPS

Safety Instruction Guide

Introduction

Thank you for choosing the LERNA Optic Mount Kit for EOTECH® EXPS. This guide provides important safety instructions and guidelines to ensure the safe and effective use of the product. Please read this document carefully before using the product.

General Safety Guidelines

- Always ensure that the product is used in accordance with the manufacturer's instructions.
- Inspect the product for any visible damage before use. Do not use if damaged.
- Keep the product out of reach of children and vulnerable individuals.
- Be aware of your surroundings when using the optic mount to prevent accidents.
- If you experience any discomfort or difficulty while using the product, discontinue use immediately and seek assistance.

Specific Safety Precautions for Use

- Ensure that the optic mount is securely attached to the firearm before use.
- Do not exceed the recommended weight limit for the optic mount.
- Avoid using the product in extreme weather conditions that may affect its performance.
- Use appropriate protective gear when using the optic mount in conjunction with firearms.
- Be cautious of potential obstructions when aiming to ensure clear visibility.

Instructions for Installation and Usage

1. Installation:

- Ensure that the firearm is unloaded before beginning installation.
- Align the LERNA Optic Mount with the mounting interface on the EOTECH® EXPS.
- Securely attach the mount using the provided screws and tools ($\frac{1}{4}$ " drive T25 bit).
- Doublecheck that the mount is firmly in place before proceeding.

2. Usage:

- Position the optic at a comfortable height to maintain a good posture.
- Adjust your stance to ensure a vertical spine while aiming.
- Regularly check the mount for tightness and stability during use.

Disposal Instructions

- Dispose of the product in accordance with local regulations.
- Do not dispose of the product in household waste.
- Consider recycling components where applicable.

Contact Information for Further Support

For any inquiries regarding safety or product usage, please contact the manufacturer directly using the contact information provided with the product packaging.

Conclusion

By following these safety guidelines and instructions, you can ensure the safe and effective use of the LERNA Optic Mount Kit for EOTECH® EXPS. Always prioritize safety and seek assistance if you are unsure about any aspect of the product's use. Thank you for your attention to these important safety instructions.
