

2.91 FTC (FLIP TO CENTER) 30MM MAGNIFIER MOUNT - GBRS GROUP 2.91 FTC 30MM MAGNIFIER MOUNT FDE

GBRS GROUP 2.91 FTC (FLIP TO CENTER) 30MM MAGNIFIER MOUNT Utilizing UNITY™ Tactical's revolutionary Flip-to-Center technology, the 2.91 FTC (Flip-to-Center) brings any magnifier to the 2.91 height to pair with the GBRS Group Hydra Mounting Systems. The 2.91 FTC Mount employs a simple force-to-overcome mechanism and stows the magnifier below the optical sight plane and completely within the footprint of the weapon's receiver when not in use. This eliminates the flip-to-side placement of legacy products, in which users receive all the benefits of magnification when required with no occlusion of sight pictures when stowed. SPECIFICATIONS: Height: 2.91" to Optic Center Line Interface: 30mm Ring Mechanism: Force-to-Overcome Rail Mount: QD lever Dimensions: 1.45" L x 2.72" W x 2.77" (stowed) or 3.61" (raised) Materials: 7075 T6 Aluminum Weight: 4.9oz Coating: Type III Hardcoat Anodized Compatibility: 30MM: Compatible with any magnifier with a 30mm body, such as Aimpoint 3XMAG, Aimpoint 3X-C, and others.

Safety Instruction Guide for the 2.91 FTC (FLIP TO CENTER) 30MM MAGNIFIER MOUNT

Introduction

Thank you for choosing the 2.91 FTC (FLIP TO CENTER) 30MM MAGNIFIER MOUNT by GBRS Group. This product is designed to enhance your shooting experience by providing a reliable and efficient way to use magnification with your optical sight. This safety instruction guide is crucial for ensuring safe and effective use of the product, in compliance with the EU General Product Safety Regulation (GPSR).

General Safety Guidelines

- Ensure that the product is used only for its intended purpose.
- Always read and understand the user manual before installation and use.
- Regularly check the product for any signs of wear or damage.
- Keep the product out of reach of children and vulnerable individuals.
- Report any unsafe conditions or accidents to the relevant authorities.
- Stay informed about product recalls via the EU's Safety Gate platform.

Specific Safety Precautions for Use

- **Avoid Improper Use:** Do not use the magnifier mount in any way that is not specified in the user manual.
- **Check Compatibility:** Ensure that the magnifier you are using is compatible with the 30mm ring of the mount.
- **Secure Installation:** Always ensure that the mount is securely attached to the weapon before use to prevent accidents.
- **Avoid Obstructions:** Ensure that the optical sight and magnifier are free from obstructions and debris before use.
- **Regular Maintenance:** Periodically inspect the mount and magnifier for any signs of damage or wear. Replace any damaged parts immediately.
- **Age Restrictions:** This product is not intended for use by individuals under the age of 18 without adult supervision.

Instructions for Installation and Usage

1. Installation:

- Ensure that your weapon is unloaded and safe before installation.
- Locate the rail on your weapon where the mount will be attached.
- Align the 30mm ring of the mount with the rail and secure it using the QD lever.
- Tighten the lever until the mount is firmly attached, but avoid overtightening.

2. Using the Magnifier:

- To deploy the magnifier, apply a gentle force to overcome the mechanism and flip it to the center position.
- Ensure that the magnifier is securely locked in place before using.
- When not in use, stow the magnifier below the optical sight plane to avoid obstruction of sight pictures.

3. PostUse Care:

- After use, clean the mount and magnifier with a soft, dry cloth to remove any dirt or debris.
- Store the product in a cool, dry place away from direct sunlight.

Disposal Instructions

- Dispose of the product in accordance with local regulations for electronic waste and materials.
- Do not dispose of the product in regular household waste.
- If the product is damaged beyond repair, contact your local waste management authority for proper disposal methods.
