Safety Instruction Guide for "THE SUPER" AllinOne Tool Kit

Introduction

Thank you for choosing the "THE SUPER" AllinOne Tool Kit by Fix It Sticks. This toolkit is designed to assist you in a variety of tasks, from tightening scope rings to adjusting firearm components. To ensure your safety and the effective use of this product, please read and follow the safety instructions outlined in this guide.

General Safety Guidelines

- **Product Safety:** This toolkit is designed for safe use. Always handle tools with care to prevent accidents.
- **Enhanced Recalls:** Stay informed about any recalls or safety notices related to this product. You can check for updates regularly.
- **Online Shopping:** If you purchased this product online, ensure that the seller complies with safety standards.
- **Special Consumer Focus:** This product is not intended for use by children. Keep it out of reach to ensure their safety.
- **EU Contact Point:** For any safety inquiries, please refer to the appropriate EU contact point.
- **Rapid Alerts:** Be aware of the Safety Gate system for updates on unsafe products.

Specific Safety Precautions for Use

- **Read Instructions:** Always read the instruction manual before using the toolkit.
- **Personal Protective Equipment (PPE):** Wear appropriate safety gear, such as safety glasses and gloves, when using tools.
- **Inspect Tools Before Use:** Check all components for damage or wear before each use. Do not use damaged tools.
- **Work Area:** Ensure your work area is clean, welllit, and free from hazards.
- **Proper Tool Use:** Use the right tool for the job. Do not force tools beyond their intended use.
- **Torque Settings:** Follow the recommended torque settings to prevent damage to components and ensure safety.
- **DistractionFree Environment:** Avoid distractions while working to maintain focus and safety.

Instructions for Installation and Usage

1. **Unpack the Toolkit:** Carefully remove all items from the zippered case. Ensure all components are present.
2. **Select the Appropriate Torque Driver:**
 - Use the TWay THandle Wrench for torque settings between 1565 inlbs.
 - Use the Mini AllinOne Torque Driver for torque settings between 625 inlbs.
3. **Attach Bits:** Select the desired bit from the 15 included options (e.g., T10, T15, T20, Hex sizes) and securely attach it to the torque driver.
4. **Using the Torque Driver:**
 - Position the tool on the component you wish to tighten.
 - Apply steady pressure while turning the handle to achieve the desired torque setting.
 - Avoid overtightening, as this can damage components.
5. **Optics Bubble Level Set:** Use the magnetic level to ensure proper alignment of scopes and mounts.
6. **Storing the Toolkit:** After use, clean all tools and return them to the molded accessory holder in the zippered case. Ensure the case is closed securely.

Disposal Instructions

- **Environmental Responsibility:** Dispose of any damaged or unusable tools in accordance with local regulations.
- **Recycling:** Check with local authorities for recycling options for metal and plastic components.
- **Battery Disposal:** If applicable, dispose of batteries according to local regulations to prevent environmental harm.

Contact Information for Further Support

For any questions or concerns regarding the safety and use of "THE SUPER" AllinOne Tool Kit, please consult the appropriate EU contact point for assistance.

Thank you for your attention to these safety guidelines. Enjoy using your toolkit responsibly!
