TYRANT CNC EXTENDED SLIDE RELEASE FOR SPRINGFIELD® ARMORY ECHCELON® Upgrade your Springfield Armory Echelon with the ultimate ergonomic enhancement: the Extended & Raised Slide Release by Tyrant CNC. Engineered for shooters who refuse to settle, this premium CNC-milled upgrade is designed to improve weapon manipulation, provide enhanced grip, and maintain the clean aesthetics of your Echelon platform. Crafted from a single piece of stainless steel, this Springfield Echelon slide release is heat treated for durability and then plated for corrosion resistance. Unlike cheaper alternatives, it won't bend, warp, or corrode under stress. The surface features milled inlaid texture, adding aggressive grip and superior control whether you're wearing gloves or running drills in adverse conditions. What sets this Echelon extended slide release apart is the attention to detail. A thin polymer backing lines the underside, offering a protective barrier between the release and your slide—ensuring your Springfield Armory Echelon stays scratch-free and looking sharp. Whether you're running tactical drills or defending your home, Tyrant CNC Echelon parts deliver real-world advantages with engineered precision. Pair this with other Springfield Armory accessories from Tyrant CNC's lineup to build a truly refined and high-performance platform.

**FEATURES** Compatible with all Springfield Armory Echelon variants CNC-machined from a single piece of stainless steel Heat treated and plated for long-term durability Raised and extended profile for faster, easier slide manipulation Milled inlaid texture for enhanced grip Thin polymer backing prevents slide wear or scratching Sleek, low-profile aesthetic maintains factory lines Designed and manufactured by Tyrant CNC

# Safety Instruction Guide for the Extended Slide Release for Springfield Armory® Echelon® by Tyrant CNC

## Introduction

Thank you for choosing the Extended Slide Release for Springfield Armory® Echelon® by Tyrant CNC. This product is designed to enhance your firearm's functionality while ensuring safety and ease of use. This guide provides essential safety instructions and information to help you use the product effectively and responsibly.

## General Safety Guidelines

- Always treat your firearm as if it is loaded.
- Keep your finger off the trigger until you are ready to shoot.
- Store your firearm and accessories in a safe place, out of reach of children and unauthorized users.
- Regularly inspect your firearm and accessories for any signs of wear or damage.
- Follow local laws and regulations regarding firearm ownership and usage.
- Always wear appropriate eye and ear protection when handling firearms.
- Be aware of your surroundings and ensure that your shooting area is safe.

## Specific Safety Precautions for Use

- Ensure that the Extended Slide Release is compatible with your Springfield Armory Echelon model before installation.
- Do not attempt to modify or alter the Extended Slide Release in any way.
- Avoid using the Extended Slide Release if it shows any signs of damage or wear.
- If you experience any difficulties with the installation or operation of the Extended Slide Release, cease use immediately and consult a qualified gunsmith or firearm expert.
- Always perform a function check after installing the Extended Slide Release to ensure proper operation.

## Instructions for Installation and Usage

### Installation Instructions

1. **Ensure Safety:** Before beginning installation, ensure that your firearm is unloaded and pointed in a safe direction.
2. **Remove the Slide:** Follow the manufacturer's instructions to safely remove the slide from your Springfield Armory Echelon.
3. **Remove the Existing Slide Release:** Carefully remove the existing slide release using appropriate tools.
4. **Install the Extended Slide Release:**
  - Align the Extended Slide Release with the designated area on the slide.
  - Securely fasten the Extended Slide Release using the original mounting hardware.
5. **Reattach the Slide:** Once the Extended Slide Release is installed, reattach the slide to the firearm.
6. **Function Check:** Conduct a function check to ensure that the Extended Slide Release operates smoothly and effectively.

### Usage Instructions

- To operate the Extended Slide Release, use your thumb to engage the release lever while holding the firearm securely.
- Practice the operation of the Extended Slide Release with dummy rounds or in a controlled environment to become familiar with its function.

- Always ensure that the firearm is pointed in a safe direction when manipulating the slide release.

## **Disposal Instructions**

- Dispose of the Extended Slide Release and any packaging materials in accordance with local regulations.
- Do not dispose of any firearm parts in regular household waste.
- Contact your local waste management authority for guidance on safe disposal methods for firearm accessories.

## **Contact Information for Further Support**

For inquiries regarding the Extended Slide Release for Springfield Armory® Echelon® by Tyrant CNC, please consult the product packaging or visit the manufacturer's website for additional resources and support. Always refer to your local laws and regulations regarding firearm accessories and safety.

Thank you for choosing Tyrant CNC products. Your safety and satisfaction are our top priorities.
