

EXTENDED SLIDE RELEASE FOR SPRINGFIELD ARMORY® ECHCELON® - TYRANT CNC EXTENDED SLIDE RELEASE FOR SPRINGFIELD ECHCELON GOLD

TYRANT CNC EXTENDED SLIDE RELEASE FOR SPRINGFIELD® ARMORY ECHCELON® Upgrade your Springfield Armory Echelon with the ultimate ergonomic enhancement: the Extended & Raised Slide Release by Tyrant CNC. Engineered for shooters who refuse to settle, this premium CNC-milled upgrade is designed to improve weapon manipulation, provide enhanced grip, and maintain the clean aesthetics of your Echelon platform. Crafted from a single piece of stainless steel, this Springfield Echelon slide release is heat treated for durability and then plated for corrosion resistance. Unlike cheaper alternatives, it won't bend, warp, or corrode under stress. The surface features milled inlaid texture, adding aggressive grip and superior control whether you're wearing gloves or running drills in adverse conditions. What sets this Echelon extended slide release apart is the attention to detail. A thin polymer backing lines the underside, offering a protective barrier between the release and your slide—ensuring your Springfield Armory Echelon stays scratch-free and looking sharp. Whether you're running tactical drills or defending your home, Tyrant CNC Echelon parts deliver real-world advantages with engineered precision. Pair this with other Springfield Armory accessories from Tyrant CNC's lineup to build a truly refined and high-performance platform.

FEATURES Compatible with all Springfield Armory Echelon variants CNC-machined from a single piece of stainless steel Heat treated and plated for long-term durability Raised and extended profile for faster, easier slide manipulation Milled inlaid texture for enhanced grip Thin polymer backing prevents slide wear or scratching Sleek, low-profile aesthetic maintains factory lines Designed and manufactured by Tyrant CNC

Safety Instruction Guide for EXTENDED SLIDE RELEASE FOR SPRINGFIELD ARMORY® ECHCELON® TYRANT CNC

Introduction

Thank you for choosing the TYRANT CNC Extended Slide Release for your Springfield Armory Echelon. This product is designed to enhance your firearm experience by providing improved ergonomics and functionality. Please read this safety instruction guide carefully to ensure safe usage and proper installation of your slide release.

General Safety Guidelines

- Always treat every firearm as if it is loaded.
- Ensure that the firearm is pointed in a safe direction when handling or installing the slide release.
- Keep the firearm unloaded during installation and maintenance.
- Wear appropriate safety gear, such as safety glasses, when working with firearms.
- Store firearms and accessories out of reach of children and unauthorized users.
- Regularly inspect your firearm and accessories for signs of wear or damage.
- Report any unsafe products or accidents to the appropriate authorities.

Specific Safety Precautions for Use

- Ensure that the slide release is compatible with your specific Springfield Armory Echelon model.
- Do not attempt to modify the slide release or any other firearm components.
- If you experience any difficulty during installation or operation, seek assistance from a qualified gunsmith.
- Avoid using the slide release in wet or muddy conditions to prevent slipping.
- Be cautious when using the slide release while wearing gloves, as it may affect grip and control.
- Always follow the manufacturer's instructions for your firearm to ensure proper functionality.

Instructions for Installation and Usage

Installation Steps

1. Preparation

- Gather all necessary tools, including a punch tool and hammer.
- Ensure the firearm is unloaded and pointed in a safe direction.

2. Remove the Existing Slide Release

- Locate the existing slide release on your Springfield Echelon.
- Use the punch tool to gently tap out the pin securing the old slide release.
- Carefully remove the old slide release from the firearm.

3. Install the Extended Slide Release

- Align the new TYRANT CNC Extended Slide Release with the slide.
- Insert the pin into the designated hole to secure the slide release in place.
- Use the punch tool to tap the pin until it is fully seated.

4. Final Checks

- Ensure that the slide release operates smoothly without any obstructions.
- Test the functionality by cycling the slide and using the release.

Usage Tips

- Practice using the slide release in a controlled environment to become familiar with its operation.
- Regularly clean and maintain the slide release to ensure optimal performance.
- If any issues arise during usage, cease operation and consult a qualified professional.

Disposal Instructions

- Dispose of any packaging materials in accordance with local regulations.
- If you need to dispose of the slide release, follow your local guidelines for metal recycling.
- Ensure that any components are disposed of safely to prevent injury to others.

Contact Information for Further Support

For further assistance or inquiries regarding the TYRANT CNC Extended Slide Release, please refer to the manufacturer's website or contact your local dealer for support.

By following these safety instructions, you can help ensure a safe and enjoyable experience with your TYRANT CNC Extended Slide Release for Springfield Armory Echelon. Thank you for prioritizing safety and responsible firearm handling.
