Safety Instruction Guide for RISE Armament Ambidextrous Charging Handle for AR308

Introduction

Thank you for choosing the RISE Armament Ambidextrous Charging Handle for AR308. This product is designed for both left and righthanded shooters, providing enhanced performance and reliability. To ensure your safety and the proper use of this product, please read and follow the guidelines outlined in this safety instruction guide.

General Safety Guidelines

- Ensure the product is used only as intended, in accordance with the manufacturer's instructions.
- Always handle firearms and accessories with care to prevent accidents.
- Keep the charging handle and all firearm components out of reach of children and unauthorized users.
- Regularly inspect the charging handle for signs of wear or damage before use.
- Report any unsafe products or incidents to the relevant authorities.
- Stay updated on product recalls and safety notices through the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Always wear appropriate eye protection when handling firearms.
- Use the charging handle only when the firearm is pointed in a safe direction.
- Do not use excessive force when charging the handle; this can cause damage to the firearm or the handle itself.
- Ensure the firearm is unloaded before installing or removing the charging handle.
- If using gloves, ensure they do not interfere with the operation of the charging handle.
- Be cautious of the charging handle's movement when operating in confined spaces.

Instructions for Installation and Usage

Installation

1. Ensure the firearm is unloaded and pointed in a safe direction.
2. Remove the existing charging handle from the firearm according to the manufacturer's instructions.
3. Align the RISE Armament Ambidextrous Charging Handle with the receiver.
4. Slide the charging handle into place until it is securely fitted.
5. Verify that the handle operates smoothly before use.

Usage

- To charge the firearm, grasp the charging handle with either hand and pull it back firmly.
- Release the handle to allow it to return to its original position.
- If using optics, ensure a clear line of sight and that the charging handle does not obstruct your view.
- For lefthanded shooters, use the left latch for fast charging; for righthanded shooters, use the right latch.

Disposal Instructions

- Dispose of the charging handle in accordance with local regulations.
- Do not dispose of the product in household waste.
- Contact local waste management facilities for proper disposal methods.

Contact Information for Further Support
