Consumer Safety Instruction Guide for RISE Armament Enhanced Takedown and Pivot Pins for AR15

Introduction

Thank you for choosing the RISE Armament Enhanced Takedown and Pivot Pins for your AR15. This guide provides essential safety instructions to ensure the safe use and maintenance of your product. Please read this document carefully to understand the proper usage, installation, and disposal of the pins, as well as the necessary safety precautions.

General Safety Guidelines

- Always ensure that your firearm is unloaded before attempting to install or remove the takedown and pivot pins.
- Inspect the pins for any visible damage or defects before use. Do not use if damaged.
- Keep the product out of reach of children and unauthorized users.
- Use the product only for its intended purpose as specified in this guide.
- Be aware of your surroundings and ensure that you are in a safe environment when using or handling your firearm.

Specific Safety Precautions for Use

- When using gloves, ensure that they fit properly to maintain dexterity for the installation and removal of the pins.
- Avoid applying excessive force when inserting or removing the pins to prevent damage.
- Use the small cavity on the left side of the pins responsibly, ensuring that no foreign objects are inserted that could cause injury.
- Always follow local laws and regulations regarding firearm modifications and accessories.

Instructions for Installation and Usage

Installation

1. Prepare the Firearm:

- Ensure that the AR15 is completely unloaded.
- Remove any magazine and clear the chamber.

2. Insert the Takedown Pin:

- Align the takedown pin with the designated hole in the lower receiver.
- Gently push the pin into place until it clicks securely.

3. Insert the Pivot Pin:

- Align the pivot pin with the corresponding hole in the lower receiver.
- Push the pin in until it is fully seated.

Removal

1. Prepare the Firearm:

- Ensure that the firearm is unloaded and pointed in a safe direction.

2. Remove the Takedown Pin:

- Use your finger or thumb to press the concave face of the takedown pin.
- Alternatively, use the tip of a bullet or ballpoint pen to push the pin out through the small cavity on the left side.

3. Remove the Pivot Pin:

- Repeat the same process as above to remove the pivot pin.

Disposal Instructions

- When disposing of the RISE Armament Enhanced Takedown and Pivot Pins, follow local regulations for the disposal of metal products.
- Do not dispose of the pins in regular household waste.
- Consider recycling options available in your area.

Contact Information for Further Support

For any safety inquiries or concerns regarding the RISE Armament Enhanced Takedown and Pivot Pins, please refer to the manufacturer's contact information provided with your product packaging or visit the manufacturer's website for more details.

Conclusion

By following the guidelines outlined in this instruction guide, you can ensure the safe and effective use of the RISE Armament Enhanced Takedown and Pivot Pins for your AR15. Always prioritize safety and compliance with local regulations when handling firearms and their accessories. Thank you for your attention to these important safety measures.
