Safety Instruction Guide for GBRS Group Single Rifle 5.56 NATO Magazine Pouch with Bungee Retention

Introduction

Thank you for choosing the GBRS Group Single Rifle 5.56 NATO Magazine Pouch with Bungee Retention. This product is designed to provide secure storage for your rifle magazines while ensuring ease of access. To ensure safe use and compliance with EU regulations, please read this safety instruction guide carefully.

General Safety Guidelines

- Always inspect the magazine pouch before use for any signs of damage or wear.
- Ensure that the pouch is securely attached to your belt or MOLLE system before inserting magazines.
- Keep the magazine pouch out of reach of children to prevent accidents.
- Do not overload the pouch beyond its intended capacity.
- Be aware of your surroundings when using the pouch to avoid accidents.

Specific Safety Precautions for Use

- **Material Safety:** The pouch is made from durable polymer and elastic materials. Ensure that you are not allergic to these materials before use.
- **Bungee Retention:** The bungee retention system can be removed if preferred. Ensure that it is securely attached when in use to prevent magazines from falling out.
- **Age Restrictions:** This product is intended for adult use only. Keep away from children.
- **Storage:** Store the pouch in a cool, dry place when not in use to prevent degradation of materials.

Instructions for Installation and Usage

1. Installation:

- Locate the MOLLE webbing or belt where you wish to attach the magazine pouch.
- Slide the pouch onto the webbing or belt until it is securely fastened.
- Ensure that the pouch is positioned for easy access.

2. Usage:

- To insert a magazine, hold the pouch open and slide the magazine into the pouch.
- Ensure that the magazine is fully seated in the pouch.
- If using the bungee retention, pull the bungee strap over the magazine to secure it.
- To remove a magazine, grasp the magazine firmly and pull it out of the pouch.

Disposal Instructions

- Dispose of the magazine pouch in accordance with local regulations for plastic materials.
- Do not burn the pouch, as it may release harmful fumes.
- If the pouch is damaged beyond use, consider recycling the materials if possible.

Contact Information for Further Support

For any questions or concerns regarding safety or product usage, please refer to the manufacturer's contact

information provided with your product.

By following these safety instructions, you can help ensure that your experience with the GBRS Group Single Rifle 5.56 NATO Magazine Pouch is safe and enjoyable. Thank you for your attention to these important guidelines.
