Safety Instruction Guide for the DOUBLE PISTOL MAGAZINE POUCH WITH BUNGEE RETENTION

Introduction

Thank you for choosing the GBRS Group Double Pistol Magazine Pouch with Bungee Retention. This guide provides essential safety information and instructions for the safe use of this product. Please read this guide carefully to ensure proper handling and to maintain safety standards.

General Safety Guidelines

- Ensure the magazine pouch is used in accordance with the manufacturer's specifications.
- Inspect the pouch regularly for any signs of wear or damage before each use.
- Keep the pouch out of reach of children and unauthorized users.
- Do not use the pouch for purposes other than intended.
- Report any unsafe conditions or incidents involving the product to the appropriate authorities.

Specific Safety Precautions for Use

- Always ensure that the magazine is securely retained in the pouch before moving.
- Do not overload the pouch with magazines beyond its intended capacity.
- Avoid exposing the pouch to extreme temperatures or harsh chemicals that may degrade the material.
- When using the bungee retention feature, ensure it is properly adjusted to prevent accidental release of the magazine.
- Use caution when drawing or reholstering magazines to avoid pinching or injury.

Instructions for Installation and Usage

Installation

1. MOLLE/Belt Attachment:

- Locate the MOLLE straps on the back of the pouch.
- Weave the straps through the MOLLE webbing on your gear or belt.
- Ensure the pouch is securely attached and does not move during use.

Usage

1. Loading the Magazine:

- Open the pouch and place the doublestacked pistol magazine inside.
- Ensure the magazine is seated properly for secure retention.

2. Using the Bungee Retention:

- If desired, adjust the bungee retention to fit snugly over the magazine.
- The bungee can be removed if not needed.

3. Drawing the Magazine:

- Grip the pouch firmly and pull the magazine straight out with a smooth motion.
- Avoid twisting or jerking the magazine to prevent damage to the pouch or magazine.

4. Reholstering the Magazine:

- Align the magazine with the pouch opening.
- Push the magazine back into the pouch until it is fully seated.
- If using the bungee retention, ensure it is properly secured over the magazine.

Disposal Instructions

- Dispose of the pouch in accordance with local regulations for plastic and textile waste.
- Do not burn the pouch, as it may release harmful substances.
- If the pouch is damaged beyond repair, consider recycling the materials if possible.

Contact Information for Further Support

For any questions or concerns regarding the use or safety of the GBRs Group Double Pistol Magazine Pouch, please reach out to the manufacturer's customer support or consult the product's official website for additional resources.

Thank you for your attention to these safety guidelines. Your safety is our priority, and we hope you enjoy using your new magazine pouch responsibly.
