Safety Instruction Guide for X SPECTRE CR1 VALKYRIE CHEEK RISER

Introduction

Thank you for choosing the X SPECTRE CR1 VALKYRIE CHEEK RISER by GBRS Group. This guide provides essential safety instructions to ensure the safe and effective use of your product. Please read this document carefully before installation and usage.

General Safety Guidelines

- Ensure the product is suitable for your specific firearm model.
- Regularly inspect the cheek riser for signs of wear or damage.
- Use the product only as intended. Do not modify or alter it.
- Keep the product out of reach of children and vulnerable individuals.
- Report any unsafe conditions or incidents to the appropriate authorities.

Specific Safety Precautions for Use

- Always ensure that the firearm is unloaded before installing or adjusting the cheek riser.
- Avoid placing your face too close to the cheek riser during use to prevent injury.
- Ensure that the cheek riser is securely attached before use to prevent accidental detachment.
- Use the cheek riser only in conjunction with compatible stocks (CTR, MOE, DT Magpul).
- Follow all local laws and regulations regarding firearm accessories.

Instructions for Installation and Usage

1. Installation

- Ensure the firearm is unloaded and pointed in a safe direction.
- Remove the existing cheek piece from your Magpul stock if applicable.
- Align the Valkyrie Cheek Riser with the mounting slots on your stock.
- Press the cheek riser firmly into place until it clicks, indicating it is secured.
- Confirm the riser is stable and does not move when pulled gently.

2. Usage

- Adjust the cheek riser height according to your preference (available heights: .25", .50", .75").
- Ensure your head is comfortably positioned against the cheek riser for optimal sight alignment.
- Practice safe handling and operation of your firearm while using the cheek riser.

Disposal Instructions

- Dispose of the cheek riser in accordance with local waste disposal regulations.
- Do not incinerate or expose the product to extreme heat, as it may release harmful substances.
