Safety Instruction Guide for SCREW KIT FOR GBRS GROUP LEG STRAP KITS

Introduction

Thank you for purchasing the SCREW KIT FOR GBRS GROUP LEG STRAP KITS. This guide provides important safety information, installation instructions, and usage guidelines to ensure safe and effective use of the product. Please read this manual carefully before using the product.

General Safety Guidelines

- Ensure the product is used only for its intended purpose as specified in the product description.
- Keep the kit out of reach of children and vulnerable individuals to prevent accidents.
- Regularly inspect the screws and components for any signs of wear or damage.
- Do not use the product if any components are damaged or missing.
- Follow all installation instructions carefully to avoid potential hazards.
- Report any unsafe products or accidents to the relevant authorities immediately.

Specific Safety Precautions for Use

- Use the screws and components provided in the kit only with compatible products.
- Ensure that all screws are tightened securely to prevent loosening during use.
- Avoid overtightening screws, as this may damage the components or the product.
- If using with other equipment, verify compatibility to prevent malfunction or injury.
- Store the kit in a dry and safe place to prevent corrosion or damage to the components.

Instructions for Installation and Usage

1. Preparation

- Gather all components included in the screw kit:
 - (2) 832 x .500 (1/2") Philips Flat Head Truss Screws
 - (2) 832 x .375 (3/8") Philips Flat Head Truss Screws
 - (2) .25 (1/4") Rubber Spacers
 - (2) 832 thread x 3/16" length Threaded Binding Posts
 - (1) VibraTite Threadlocker 2ml

2. Installation Steps

- Identify the mounting points on the GBRS Group Leg Strap where the screws will be installed.
- Insert the rubber spacers where necessary to provide cushioning and prevent damage.
- Use the appropriate screws based on the length required for the installation:
 - For longer mounting points, use the 832 x .500 (1/2") screws.
 - For shorter mounting points, use the 832 x .375 (3/8") screws.
- Tighten the screws using a suitable screwdriver, ensuring they are secure but not overtightened.
- Apply a small amount of VibraTite Threadlocker to the screws to prevent loosening over time.

3. Usage Instructions

- Once installed, test the stability of the Leg Strap to ensure it is securely attached.
- Avoid putting excessive weight or strain on the Leg Strap during use to prevent any accidents.

Disposal Instructions

- Dispose of any unused or damaged components in accordance with local regulations.
- Do not throw the product into the household waste. Instead, take it to an appropriate recycling facility if available.
