Safety Instruction Guide for X PRIORITY 1 IWB HOLSTER FOR SIG SAUER P365 XMACRO® W/TLR7

Introduction

Thank you for choosing the X PRIORITY 1 IWB HOLSTER FOR SIG SAUER P365 XMACRO® W/TLR7. This safety instruction guide is designed to ensure the safe use and handling of your holster in compliance with the EU General Product Safety Regulation (GPSR). Please read this guide carefully before using the product.

General Safety Guidelines

- Ensure the holster is compatible with your firearm model before use.
- Always inspect the holster for any signs of damage or wear before each use.
- Keep the holster away from children and unauthorized users.
- Store the holster in a secure location when not in use.
- Follow local laws and regulations regarding concealed carry and firearm safety.

Specific Safety Precautions for Use

- Always ensure your firearm is unloaded before placing it in the holster.
- Use the adjustable retention feature to secure your firearm properly.
- When wearing the holster, ensure it is positioned correctly to avoid accidental discharge.
- Avoid exposing the holster to extreme temperatures or harsh chemicals that may compromise its integrity.
- Regularly check the monoblock clip to ensure it is securely attached to your waistband.

Instructions for Installation and Usage

1. Installation:

- Position the holster on your waistband at your preferred carry location.
- Use the discreet carry monoblock clip to secure the holster. Ensure it is firmly attached, whether you are wearing a belt or not.
- Adjust the ride height and cant angle according to your comfort and accessibility preferences.

2. Usage:

- To draw your firearm, ensure your grip is secure and your finger is off the trigger until ready to fire.
- After use, reholster your firearm carefully, ensuring it is properly secured within the holster.
- Check the retention adjustment to ensure your firearm is held securely but can still be drawn smoothly.

Disposal Instructions

- Dispose of the holster in accordance with local regulations for thermoplastic materials.
- If the holster is damaged or no longer usable, consider recycling it if possible.
- Do not dispose of the holster in regular household waste if it contains any hazardous materials.
