

V3 INNER BELT - GBRS GROUP V3-INNER BELT LARGE BLACK

GBRS GROUP V3 INNER BELT The inner belt system consists of a low profile "hook" inner belt with a single layer of 1.5" scuba webbing. This results in a system that doubles as a non-metallic EDC belt and is a comfortable and convenient way to cover the abrasive hook portion of the inner belt when flipped inside out. The single layer of scuba webbing allows for a rigid surface for IWB holsters to secure firmly. V3 INNER BELT GBRS GROUP Safety Instruction Guide

Introduction

Thank you for choosing the V3 INNER BELT by GBRS GROUP. This guide provides essential safety instructions to ensure the proper use and maintenance of your inner belt. Please read this manual thoroughly before use to maximize your safety and the product's performance.

General Safety Guidelines

- Ensure the inner belt is used only for its intended purpose as a nonmetallic EDC (Everyday Carry) belt and for securing IWB (Inside Waistband) holsters.
- Check the belt for any signs of damage or wear before each use. Do not use if the belt is damaged.
- Keep the belt away from sharp objects that may cause cuts or abrasions.
- Store the belt in a cool, dry place away from direct sunlight to prevent degradation of materials.
- This product is not designed for use by children. Keep out of reach of children to prevent accidents.

Specific Safety Precautions for Use

- **Sizing:**
 - Ensure you select the correct size for your waist. Refer to the sizing guide below:
 - Size S: Fits waist sizes 27"31" (Ideal fit 27"31")
 - Size M: Fits waist sizes 31"36" (Ideal fit 31"34")
 - Size L: Fits waist sizes 36"41" (Ideal fit 35"39")
 - Size XL: Fits waist sizes 40"50" (Ideal fit 40"46")
- **Compatibility:**
 - This inner belt is compatible with all GBRS Assaulter belts (V1V3). Ensure compatibility before use.
- **Installation:**
 - Follow the installation instructions carefully to ensure a secure fit.
- **Holster Use:**
 - When using IWB holsters, ensure that they are properly secured to the belt. Test the holster's stability before carrying any items.

Instructions for Installation and Usage

1. Selecting the Correct Size:

- Measure your waist to determine the appropriate size.
- Choose the size that corresponds to your waist measurement.

2. Wearing the Inner Belt:

- Thread the inner belt through your belt loops, ensuring it sits comfortably on your waist.
- Adjust the position to ensure the belt is snug but not overly tight.

3. Securing Holsters:

- Attach your IWB holster to the inner belt.
- Ensure the holster is firmly secured and does not shift during movement.

4. Flipping the Belt:

- If using the inner belt flipped inside out, ensure the hook portion is fully covered to prevent abrasions to clothing or skin.

5. Adjusting Fit:

- If necessary, adjust the belt for comfort and security. The belt should not restrict movement.

Disposal Instructions

- Dispose of the inner belt in accordance with local regulations regarding textile and polymer waste.
- Do not incinerate the belt as it may release harmful substances when burned.
