

V3 INNER BELT - GBRS GROUP V3-INNER BELT XLARGE COYOTE BROWN

GBRS GROUP V3 INNER BELT The inner belt system consists of a low profile "hook" inner belt with a single layer of 1.5" scuba webbing. This results in a system that doubles as a non-metallic EDC belt and is a comfortable and convenient way to cover the abrasive hook portion of the inner belt when flipped inside out. The single layer of scuba webbing allows for a rigid surface for IWB holsters to secure firmly. Safety Instruction Guide for V3 INNER BELT GBRS GROUP

Introduction

Thank you for choosing the V3 INNER BELT by GBRS GROUP. This safety instruction guide provides essential information to ensure the safe and effective use of your product. Please read this guide carefully before using the belt.

General Safety Guidelines

- Ensure safe use of the V3 INNER BELT by following these guidelines:
 - Always inspect the belt for any signs of damage or wear before use.
 - Use the belt only for its intended purpose as described in this guide.
 - Keep the belt away from sharp objects and extreme heat sources.
 - Store the belt in a cool, dry place when not in use.
- In case of any accidents or injuries, report them to the appropriate authorities.
- Regularly check for any recall updates regarding the product on the EU's Safety Gate platform.

Specific Safety Precautions for Use

- When wearing the V3 INNER BELT:
 - Ensure that the belt is properly adjusted to your waist size for a secure fit.
 - Avoid excessive pulling or tugging on the belt, as this could compromise its integrity.
 - Do not use the belt if you have any allergies to the materials used, including polymer and scuba webbing.
- Keep the belt out of reach of children and vulnerable individuals who may not understand its use.

Instructions for Installation and Usage

1. Fitting the Belt:

- Select the appropriate size based on your waist measurement:
 - Size S: Fits waist sizes 27"31"
 - Size M: Fits waist sizes 31"36"
 - Size L: Fits waist sizes 36"41"
 - Size XL: Fits waist sizes 40"50"
- Adjust the belt to fit snugly around your waist without being overly tight.

2. Using the Belt:

- To wear the belt, thread it through the belt loops of your trousers or over your outer clothing.
- Ensure the "hook" side of the inner belt is facing outward for optimal use.
- When using IWB holsters, ensure they are securely attached to the belt.

3. Flipping the Belt:

- If you need to flip the belt inside out to cover the abrasive hook portion, do so carefully to avoid damaging the webbing.

4. Maintenance:

- Clean the belt with mild soap and water as needed. Do not use harsh chemicals or abrasive

materials.

- Inspect the belt regularly for wear and tear, and replace it if any damage is found.

Disposal Instructions

- When disposing of the V3 INNER BELT, follow local regulations for textile and polymer waste.
- If the belt is damaged beyond repair, consider recycling the materials if possible.
- Do not dispose of the belt in regular household waste if it contains nonbiodegradable materials.

Contact Information for Further Support

For any questions or concerns regarding the V3 INNER BELT, please reach out to the manufacturer or retailer from whom you purchased the product. They can provide additional support and information related to safety and usage.

Thank you for your attention to these safety instructions. Enjoy the comfort and functionality of your V3 INNER BELT!
