# Safety Instruction Guide for SINGLE RIFLE 7.62MM RIFLE POUCH WITH BUNGEE RETENTION

## Introduction

Thank you for choosing the GBRS Group Single Rifle Magazine Pouch. This product is designed to provide a secure and efficient way to carry your rifle magazines. To ensure your safety and the longevity of the product, please read and follow these safety instructions carefully.

## General Safety Guidelines

- Ensure that the pouch is compatible with your specific rifle magazines before use.
- Regularly inspect the pouch for any signs of wear or damage.
- Always store the pouch in a dry, cool place away from direct sunlight.
- Keep the pouch out of reach of children and vulnerable individuals.
- Report any unsafe conditions or accidents to the appropriate authorities.

## Specific Safety Precautions for Use

- Do not overload the pouch beyond its intended capacity.
- Ensure that the bungee retention system is correctly adjusted to avoid accidental release of magazines.
- Always check that the magazine is securely held in place before moving or engaging in any activities.
- Avoid using the pouch in extreme weather conditions that may affect its performance.
- Use the pouch only for its intended purpose as specified in this guide.

## Instructions for Installation and Usage

### 1. Compatibility Check

- Verify that the pouch is suitable for the magazines you intend to carry (e.g., 5.56, 7.62, .308, 6.5CM).

### 2. Attachment

- The pouch can be attached to a MOLLE system or a standard belt.
- For MOLLE attachment, weave the straps through the webbing on your tactical gear securely.
- For belt attachment, slide the pouch onto the belt ensuring it fits snugly.

### 3. Loading the Pouch

- Open the bungee retention system.
- Insert the magazine into the pouch, ensuring it is oriented correctly.
- Secure the bungee retention over the magazine to hold it in place.

### 4. Using the Pouch

- When drawing a magazine, pull it straight out to avoid damaging the pouch.
- After use, reinsert the magazine into the pouch with the bungee retention secured.

### 5. Adjustments

- The bungee retention can be adjusted or removed based on personal preference. Ensure any adjustments do not compromise the pouch's ability to hold the magazine securely.

## **Disposal Instructions**

- Dispose of the pouch in accordance with local regulations regarding textile and polymer waste.
- Do not burn the pouch as it may release harmful substances.
- Consider recycling options if available.

## **Contact Information for Further Support**

For safety inquiries, product support, or to report unsafe products, please refer to your local authorities or the EU's Safety Gate platform for the most current information and updates.

By following these guidelines, you can ensure a safe and effective experience with your GBRS Group Single Rifle Magazine Pouch. Thank you for your attention to safety!
