

FIRING PIN FOR AR-15 - CMMG FIRING PIN MIL-SPEC FOR AR-15

CMMG FIRING PIN FOR AR-15 A standalone firing pin might not make much sense to those used to buying complete bolts, but it never hurts to have extra components on-hand in a pinch! This is a mil-spec firing pin designed for use in standard AR-15 bolt-carrier groups. It's inexpensive, it works, and it's new-manufacture, so it's worth having a spare around, just in case something happens to the firing pin in your gun.

Safety Instruction Guide for FIRING PIN FOR AR15 CMMG FIRING PIN MILSPEC FOR AR15

Introduction

Thank you for purchasing the CMMG Firing Pin for AR15. This guide provides essential safety instructions and information to ensure safe usage and compliance with EU General Product Safety Regulations (GPSR). Please read this document carefully before using the product.

General Safety Guidelines

- Ensure that the firing pin is compatible with your AR15 model.
- Always handle firearms with care and follow standard safety practices.
- Store the firing pin in a safe and secure location, away from children and unauthorized users.
- Regularly inspect the firing pin for any signs of wear or damage before use.
- Report any unsafe products or accidents to local authorities.
- Stay informed about recall updates via the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Always wear appropriate safety gear, including eye protection, when handling firearms.
- Do not attempt to use the firing pin if it appears damaged or defective.
- Follow the manufacturer's instructions for installation and usage.
- Ensure that the firearm is unloaded before attempting to install or replace the firing pin.
- Avoid using the firearm in adverse conditions that may affect its performance.

Instructions for Installation and Usage

1. Preparation:

- Ensure that the firearm is completely unloaded.
- Gather all necessary tools for installation.

2. Installation:

- Remove the bolt carrier group from the firearm.
- Locate the existing firing pin in the bolt carrier group.
- Carefully remove the old firing pin by following the manufacturer's instructions.
- Insert the new CMMG firing pin into the bolt carrier group, ensuring it is seated correctly.
- Reassemble the bolt carrier group and ensure it functions properly.

3. Usage:

- Always verify that the firearm is in a safe condition before use.
- Regularly check the firing pin for proper function and integrity during routine maintenance.

Disposal Instructions

- Dispose of the firing pin in accordance with local regulations regarding hazardous materials.
- Do not dispose of the firing pin in regular household waste.
- Contact your local waste disposal authority for guidance on proper disposal methods.

Contact Information for Further Support

For any safety inquiries or additional support, please reach out to your local distributor or the manufacturer directly. Ensure you have the product details handy for efficient assistance.

By following these guidelines, you will help ensure safe and effective use of the CMMG Firing Pin for AR15. Thank you for your attention to safety and compliance.
