Safety Instruction Guide for 12GA Sporting Clay Light Modified Choke Tube for Remington 1187

Introduction

Thank you for choosing the Briley's 12 GAUGE SPORTING CLAYS LIGHT MODIFIED CHOKE TUBE for your Remington 1187 shotgun. This guide provides essential safety instructions and information to ensure the safe and effective use of your choke tube. Please read this document carefully before installation and use.

General Safety Guidelines

- Ensure that the choke tube is compatible with your shotgun model (Remington 1187).
- Always handle firearms and accessories responsibly and in accordance with local laws and regulations.
- Store the choke tube and shotgun in a secure location, out of reach of children and unauthorized users.
- Regularly inspect the choke tube for signs of wear or damage before each use.
- If you notice any issues, do not use the choke tube and consult a qualified gunsmith.

Specific Safety Precautions for Use

- **Hazard Identification:**
 - Improper installation may lead to malfunction or injury.
 - Failure to use the correct choke type for your shooting needs may affect performance and safety.
- **Avoiding Hazards:**
 - Always ensure the shotgun is unloaded before installing or removing the choke tube.
 - Follow the manufacturer's instructions for installation and removal.
 - Use only the recommended choke type for your shooting activity to ensure optimal performance.
- **Audience Specific Warnings:**
 - This product is not intended for use by individuals under the age of 18. Ensure that young or inexperienced users are supervised by a qualified adult.

Instructions for Installation and Usage

- **Installation:**
 1. Ensure the shotgun is completely unloaded.
 2. Using a choke tube wrench, carefully remove the existing choke (if applicable).
 3. Align the threads of the Briley choke tube with the barrel of the shotgun.
 4. Handtighten the choke tube until secure, then use the choke wrench to tighten further without overtightening.
 5. Verify that the choke tube is properly installed and secure before proceeding to use the shotgun.
- **Usage:**
 - Load the shotgun according to the manufacturer's instructions.
 - Aim and shoot only in a safe direction, ensuring a clear line of sight and target.
 - After shooting, inspect the choke tube for any signs of damage or wear.
 - Clean the choke tube regularly to maintain performance and safety.

Disposal Instructions

- Dispose of the choke tube in accordance with local regulations.
- Do not discard in regular household waste. Check for recycling options specific to metal products.
- If the choke tube is damaged or no longer usable, contact your local waste management facility for

proper disposal methods.

Contact Information for Further Support

For any inquiries or concerns regarding the safety and use of the Briley's 12 GAUGE SPORTING CLAYS LIGHT MODIFIED CHOKE TUBE, please refer to the manufacturer's website or contact their customer service for assistance.

By following these safety guidelines, you can ensure a safer shooting experience while enjoying the benefits of your new choke tube. Always prioritize safety and responsibility in all your shooting activities.
