

TRITIUM FRONT SIGHT FOR REMINGTON 870

XS SIGHT SYSTEMS INC. TRITIUM FRONT SIGHT FOR REMINGTON 870

Enhance low-light performance on your Remington 870 with the XS Sight Systems Tritium Front Sight, engineered for fast, instinctive target acquisition in any lighting condition. Featuring a tritium-illuminated front dot that remains highly visible in darkness, this sight provides a bright, reliable aiming point without batteries or switches. The convex, high-surface-area glow dot absorbs ambient light and intensifies visibility at dusk or indoors, giving shooters a crisp, unmistakable sight picture when it matters most. CNC-machined from solid steel bar stock for strength and durability, this sight is built to withstand heavy use and hard recoil on defensive, duty, or field shotguns. NOTE: These items are a new, authentic XS SIGHT SYSTEMS products acquired directly from Remington's OEM inventory. This item is guaranteed to be unused and fully functional.

Safety Instruction Guide for TRITIUM FRONT SIGHT FOR REMINGTON 870

Introduction

Thank you for choosing the XS Sight Systems Tritium Front Sight for your Remington 870. This guide provides essential safety information and instructions to ensure the safe and effective use of the product. Please read this guide carefully before installation and use.

General Safety Guidelines

- Ensure that the product is installed correctly to avoid any potential hazards.
- Always handle firearms safely and responsibly, following all local laws and regulations.
- Keep the product out of reach of children and unauthorized users.
- Regularly inspect the sight for any signs of damage or wear.
- Report any unsafe products or incidents to the appropriate authorities.
- Stay informed about recall updates via the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Always verify that your firearm is unloaded before installing or adjusting the sight.
- Do not use the sight if it appears damaged or malfunctioning.
- Avoid exposing the sight to extreme temperatures or harsh chemicals that may affect its performance.
- Ensure the sight is securely mounted before using the firearm.
- Use the sight only for its intended purpose; do not modify or alter it in any way.

Instructions for Installation and Usage

Installation

1. **Gather Required Tools:** Ensure you have the necessary tools for installation, such as a screwdriver and any specific mounting hardware provided.
2. **Unload the Firearm:** Before beginning installation, confirm that the Remington 870 is completely unloaded.
3. **Remove Old Sight (if applicable):** If replacing an existing sight, carefully remove it according to the manufacturer's instructions.
4. **Position the Tritium Front Sight:** Align the Tritium Front Sight with the mounting holes on the firearm.
5. **Secure the Sight:** Use the provided screws or hardware to securely attach the sight. Ensure it is firmly in place but do not overtighten.
6. **Check Alignment:** After installation, check the alignment of the sight to ensure it is properly positioned.

Usage

- To utilize the Tritium Front Sight effectively, aim at your target while ensuring the tritium dot is visible.
- Practice in various lighting conditions to become familiar with the sight's performance.
- Regularly clean the sight to maintain optimal visibility and function.

Disposal Instructions

- Dispose of the product in accordance with local regulations for electronic waste and hazardous materials.
- Do not dispose of the sight in regular household waste.
- Consult local waste management authorities for proper disposal methods.

Contact Information for Further Support

For any inquiries regarding safety or product support, please refer to the manufacturer's contact details provided with your product packaging. It is essential to ensure you have access to assistance if needed.

Thank you for your attention to these safety guidelines. Enjoy the enhanced performance of your Remington 870 with the XS Sight Systems Tritium Front Sight.
