Safety Instruction Guide for 12 Gauge Stripped Receiver with Magazine Tube for Remington 870

Introduction

Thank you for choosing the 12 Gauge Stripped Receiver with Magazine Tube for Remington 870. This product is designed to enhance your firearm's performance and reliability. However, it is essential to follow safety guidelines to ensure safe use and compliance with the EU General Product Safety Regulation (GPSR). This guide provides crucial information to help you use and maintain your product safely.

General Safety Guidelines

- Always handle firearms and firearm components with care and respect.
- Ensure that the product is used only by individuals who are familiar with firearms and their operation.
- Keep the product out of reach of children and unauthorized users.
- Regularly inspect the product for any signs of damage or wear.
- Report any unsafe conditions or incidents to the appropriate authorities.
- Stay informed about product recalls and safety updates through the EU's Safety Gate platform.

Specific Safety Precautions for Use

- **Personal Protective Equipment (PPE):**
 - Always wear safety glasses and hearing protection when using firearms.
- **Proper Handling:**
 - Treat every firearm as if it is loaded.
 - Always point the firearm in a safe direction.
- **Installation Precautions:**
 - Ensure the firearm is unloaded before installing or modifying any components.
 - Follow all installation instructions carefully to avoid improper assembly.
- **Usage Precautions:**
 - Do not exceed the manufacturer's specifications for ammunition.
 - Be aware of your surroundings and ensure a safe shooting environment.
- **Maintenance:**
 - Regularly clean and maintain the receiver and magazine tube to ensure proper function.
 - Use only recommended cleaning products and methods.

Instructions for Installation and Usage

Installation Instructions

1. Preparation:

- Ensure the firearm is unloaded and in a safe environment.
- Gather necessary tools (e.g., screwdrivers, wrenches) for installation.

2. Remove the Old Receiver:

- Follow the manufacturer's instructions to safely remove the existing receiver from the Remington 870.

3. Install the New Receiver:

- Align the new 12 Gauge Stripped Receiver with the existing components.

- Securely fasten the receiver using the appropriate screws and tools.

4. Attach the Magazine Tube:

- Ensure the magazine tube is properly aligned and secured to the receiver.
- Verify that all connections are tight and secure.

5. Final Inspection:

- Doublecheck the installation for any loose components.
- Ensure that the receiver is functioning correctly before using the firearm.

Usage Instructions

1. Loading the Firearm:

- Load the firearm according to the manufacturer's guidelines.

2. Firing:

- Follow standard firearm safety practices during firing.
- Always monitor the condition of the firearm during use.

3. PostUse Inspection:

- After use, inspect the receiver and magazine tube for any signs of wear or damage.
- Clean the components as necessary.

Disposal Instructions

- Dispose of the product in accordance with local regulations.
- Do not dispose of the product in regular household waste.
- Contact local waste management authorities for proper disposal methods for metal components.

Contact Information for Further Support

For any inquiries or support regarding the 12 Gauge Stripped Receiver with Magazine Tube for Remington 870, please consult your local Remington dealer or authorized service center. Always ensure you are seeking assistance from qualified professionals.

By following these guidelines, you can ensure the safe and effective use of your 12 Gauge Stripped Receiver with Magazine Tube for Remington 870. Thank you for your attention to safety and compliance.
