Introduction

Thank you for choosing the 28 Gauge RemChoke Extended Choke Tubes for your Remington 1100 shotgun. This guide provides essential safety instructions to ensure the proper use and maintenance of your choke tubes. Please read this guide carefully before use.

General Safety Guidelines

- Ensure that the choke tubes are compatible with your shotgun model.
- Always handle firearms safely and responsibly.
- Keep choke tubes and all firearm accessories out of reach of children.
- Inspect choke tubes for damage before each use.
- Follow all local laws and regulations regarding firearm use and accessories.
- Store choke tubes in a secure location when not in use.

Specific Safety Precautions for Use

- Always ensure that the firearm is unloaded before installing or removing choke tubes.
- Use caution when installing or removing choke tubes to avoid injury.
- Do not attempt to modify or alter the choke tubes in any way.
- Be aware of the potential for increased muzzle velocity and altered shot patterns when using extended choke tubes.
- If you experience any malfunctions while using the choke tubes, stop using them immediately and consult a qualified gunsmith.

Instructions for Installation and Usage

1. Installation of Choke Tubes:

- Ensure the shotgun is completely unloaded.
- Use the appropriate choke tube wrench (if included) for installation.
- Align the choke tube with the threads in the barrel.
- Turn the choke tube clockwise until it is securely in place.
- Ensure that the choke tube is properly tightened, but do not overtighten.

2. Removal of Choke Tubes:

- Ensure the shotgun is unloaded.
- Use the choke tube wrench to turn the choke tube counterclockwise.
- Carefully remove the choke tube from the barrel.
- Inspect the choke tube for any signs of wear or damage before storing.

3. Usage:

- Load your shotgun according to the manufacturer's guidelines.
- Aim and fire responsibly, ensuring that you are in a safe environment.
- Regularly check the choke tube and barrel for any obstructions or damage during use.

Disposal Instructions

- Dispose of any damaged or worn choke tubes in accordance with local regulations.
- Do not throw choke tubes in regular household waste.
- Consider recycling options if available in your area.
