Safety Instruction Guide for 28 Gauge RemChoke Extended Choke Tubes for Remington 1100

Introduction

Thank you for choosing the Remington 28 Gauge RemChoke Extended Choke Tubes designed for the Remington 1100 shotgun. This guide provides essential safety instructions, proper usage, and maintenance tips to ensure safe and effective use of your product. Please read this guide thoroughly before using the choke tubes.

General Safety Guidelines

- Ensure that all safety precautions are followed when using the choke tubes.
- Always handle firearms and accessories with care and responsibility.
- Store choke tubes in a cool, dry place away from children and unauthorized users.
- Regularly inspect choke tubes for signs of wear or damage before use.
- Use only Remington-approved choke tubes with the Remington 1100 shotgun.
- Be aware of your surroundings and ensure a safe shooting environment.

Specific Safety Precautions for Use

- **Avoid Overtightening:** Do not overtighten the choke tubes when installing them. This may cause damage to the threads or the barrel.
- **Check Compatibility:** Ensure that the choke tube is compatible with your specific Remington 1100 model to avoid any malfunctions.
- **Use Appropriate Ammunition:** Always use ammunition that is suitable for your choke tube and shotgun. Refer to the manufacturer's specifications.
- **Wear Protective Gear:** Always wear appropriate eye and ear protection when shooting.
- **Do Not Alter:** Never modify the choke tubes or the shotgun in any way. Alterations can lead to unsafe conditions.
- **Keep the Muzzle Pointed in a Safe Direction:** Always point the shotgun in a safe direction when loading, unloading, or adjusting choke tubes.

Instructions for Installation and Usage

1. Installation:

- Ensure the shotgun is unloaded and pointed in a safe direction.
- Using your fingers, screw the choke tube into the muzzle of the shotgun until it is snug.
- Use a choke tube wrench if necessary to tighten it further, but do not overtighten.
- Check the installation by ensuring the choke tube is secure and properly aligned.

2. Usage:

- Load the shotgun with appropriate ammunition.
- Aim at the target while maintaining a safe shooting posture.
- Follow all local laws and regulations regarding the use of firearms.
- After shooting, remove the choke tube for cleaning and maintenance.

Disposal Instructions

- Dispose of any damaged or worn choke tubes in accordance with local regulations.
- Do not dispose of choke tubes in regular household waste. Check with local waste management for proper disposal methods.
