Safety Instruction Guide for Remington 410 Bore RemChoke Choke Tubes

Introduction

Thank you for purchasing the Remington 410 Bore RemChoke Choke Tubes for your Remington 1100 or 870 shotgun. This guide provides essential safety instructions and information to ensure the safe and effective use of your choke tubes. Please read this guide carefully before using the product.

General Safety Guidelines

- Always treat every firearm as if it is loaded.
- Ensure that you are familiar with the operation of your shotgun and the installation of choke tubes.
- Use caution when handling firearms, and always follow the manufacturer's guidelines.
- Keep choke tubes and firearms out of reach of children and unauthorized users.
- Regularly inspect your choke tubes for wear or damage before use.
- Report any unsafe products or incidents to the appropriate authorities.

Specific Safety Precautions for Use

- Only use Remington 410 Bore RemChoke Choke Tubes with Remington 1100 and 870 models.
- Ensure the shotgun is unloaded before installing or removing the choke tube.
- Do not attempt to modify or alter the choke tube in any way.
- Avoid using damaged or worn choke tubes; replace them immediately.
- Follow all local laws and regulations regarding the use of firearms.

Instructions for Installation and Usage

1. Installation:

- Ensure that the shotgun is pointed in a safe direction and is unloaded.
- Using the choke tube wrench, carefully remove the existing choke tube from the shotgun barrel.
- Align the threads of the Remington 410 Bore RemChoke Choke Tube with the barrel threads.
- Gently screw the choke tube into the barrel until it is handtight.
- Use the choke tube wrench to secure the choke tube, ensuring it is snug but not overtightened.

2. Usage:

- After installation, check that the choke tube is securely in place before firing.
- Familiarize yourself with the different choke patterns and how they affect shot dispersion.
- Practice shooting at a safe and controlled range to understand the performance of the choke tube.
- Always wear appropriate eye and ear protection when shooting.

Disposal Instructions

- Dispose of any damaged or unusable choke tubes in accordance with local regulations.
- Do not throw away choke tubes in regular trash; check for recycling programs or hazardous waste disposal options.
