Safety Instruction Guide for Remington .410 Bore RemChoke Extended Choke Tubes

Introduction

Thank you for choosing the Remington .410 Bore RemChoke Extended Choke Tube for your shotgun. This guide provides essential safety information and instructions to ensure safe and effective use of your product. Please read this manual carefully before installation and use.

General Safety Guidelines

- Ensure the choke tube is compatible with your shotgun model (Remington 1100 or 870).
- Always handle firearms responsibly and in accordance with local laws and regulations.
- Keep the choke tube and all firearms out of reach of children and unauthorized users.
- Inspect the choke tube for damage or wear before each use.
- Follow all safety instructions provided by the firearm manufacturer.
- If you experience any issues with the choke tube, discontinue use and seek assistance.

Specific Safety Precautions for Use

- Always ensure the shotgun is unloaded before installing or removing the choke tube.
- Use only the specified choke type (.410 Bore Skeet) to avoid malfunctions.
- Avoid using excessive force when installing or removing the choke tube to prevent damage.
- Do not modify the choke tube in any way, as this may compromise safety and performance.
- Be aware of your surroundings when shooting, and ensure a safe shooting environment.

Instructions for Installation and Usage

Installation Steps

1. **Ensure Safety:** Make sure the shotgun is pointed in a safe direction and is unloaded.
2. **Remove Existing Choke:** If applicable, use a choke wrench to remove the existing choke tube by turning it counterclockwise.
3. **Clean Threads:** Inspect the threads of the choke tube and the barrel for dirt or debris. Clean if necessary.
4. **Install New Choke:** Align the new RemChoke tube with the threads of the barrel. Turn the choke tube clockwise until it is snug. Do not overtighten.
5. **Check Fit:** Ensure that the choke tube is securely installed and does not wobble.

Usage Instructions

- Use the choke tube for skeet shooting or other activities as intended.
- Regularly check the choke tube for signs of wear or damage during use.
- After shooting, clean the choke tube to remove any fouling or debris.

Disposal Instructions

- Dispose of the choke tube in accordance with local regulations.
- Do not dispose of the choke tube in regular household waste if it is damaged or defective.
- Contact local waste management authorities for guidance on proper disposal methods.
