Safety Instruction Guide for 410 BORE REMCHOKE EXTENDED CHOKE TUBES

Introduction

Thank you for choosing the 410 Bore RemChoke Extended Choke Tube for Remington 1100 and 870. This product is designed to enhance your shotgun's performance, ensuring reliable fit and consistent shot patterns. To ensure safe and effective use of this product, please read and follow the safety instructions outlined in this guide.

General Safety Guidelines

- Always handle firearms and accessories with care and respect.
- Ensure that the choke tube is compatible with your specific shotgun model.
- Before installation or removal, ensure the shotgun is unloaded and the action is open.
- Regularly inspect the choke tube for signs of wear or damage.
- Store the choke tube in a cool, dry place away from direct sunlight.
- Keep the product out of reach of children and unauthorized users.
- Follow all local laws and regulations regarding the use of firearms and accessories.

Specific Safety Precautions for Use

- **Installation:**
 - Ensure the shotgun is pointed in a safe direction.
 - Always use appropriate tools for installation and removal.
- **Usage:**
 - Be aware of your surroundings and ensure no one is in the line of fire.
 - Use only approved ammunition that is compatible with the choke tube.
- **Maintenance:**
 - Clean the choke tube regularly to prevent buildup of debris.
 - Do not attempt to modify the choke tube in any way.

Instructions for Installation and Usage

1. Installation:

- Ensure the shotgun is unloaded and the action is open.
- Align the choke tube with the threads in the shotgun barrel.
- Handtighten the choke tube until secure, being careful not to overtighten.
- Check that the choke tube is properly seated and does not wobble.

2. Usage:

- Load the shotgun according to the manufacturer's instructions.
- Aim in a safe direction and ensure the area is clear of obstructions.
- Fire the shotgun as per standard operating procedures, maintaining control and awareness.

3. Removal:

- Ensure the shotgun is unloaded and the action is open.
- Use a choke wrench to carefully unscrew the choke tube.
- Store the choke tube in a secure location when not in use.

Disposal Instructions

- Dispose of the choke tube in accordance with local regulations.
- Do not dispose of the choke tube in regular household waste.
- If the product is damaged or no longer usable, contact appropriate waste disposal services for guidance.

Contact Information for Further Support

For safety inquiries, product information, or to report unsafe products, please contact the manufacturer or visit the relevant safety authority's website.

Thank you for your attention to these safety instructions. By following these guidelines, you can ensure a safer experience with your 410 Bore RemChoke Extended Choke Tube. Enjoy your shooting and stay safe!
