Safety Instruction Guide for Remington .410 Bore RemChoke Choke Tubes

Introduction

Thank you for choosing the Remington .410 Bore RemChoke Choke Tubes for your Remington 1100 and 870 shotguns. This guide provides essential safety information, usage instructions, and guidelines to ensure your product is used safely and effectively. Please read this manual carefully before use.

General Safety Guidelines

- Ensure you are familiar with the operation and handling of shotguns before using this product.
- Always follow local laws and regulations regarding the use of firearms and ammunition.
- Inspect the choke tube before each use for any signs of damage or wear.
- Use only the specified Remington choke tubes with compatible shotgun models (Remington 1100 and 870).
- Store the choke tubes in a safe, dry location away from children and unauthorized users.
- Keep the choke tubes clean and free from obstructions to ensure safe operation.

Specific Safety Precautions for Use

- Always wear appropriate eye and ear protection when shooting.
- Do not attempt to modify or alter the choke tube in any way.
- Ensure the shotgun is unloaded before installing or removing the choke tube.
- Do not use the shotgun if the choke tube is damaged or improperly installed.
- Be aware of your surroundings and ensure a safe shooting environment.
- Avoid using the choke tube with ammunition that exceeds the manufacturer's specifications.

Instructions for Installation and Usage

Installation

1. **Ensure Safety:** Confirm that the shotgun is unloaded and the safety is engaged.
2. **Remove Existing Choke:** Use a choke wrench to remove the existing choke tube by turning it counterclockwise.
3. **Install New Choke:**
 - Align the threads of the new choke tube with the barrel.
 - Handtighten the choke tube by turning it clockwise.
 - Use the choke wrench to secure the choke tube, but do not overtighten.
4. **Check Fit:** Ensure the choke tube is properly installed and secure before use.

Usage

- Load the shotgun according to the manufacturer's instructions.
- Aim carefully and ensure the target is safe before firing.
- After use, clean the choke tube and shotgun to maintain performance and safety.

Disposal Instructions

- Dispose of any damaged choke tubes in accordance with local regulations.
- Recycle materials where possible, ensuring that all components are disposed of safely.

Contact Information for Further Support

For any safety inquiries or further assistance, please reach out to the designated EU contact point for product safety. Ensure to keep your purchase details and any relevant information ready for reference.

Thank you for prioritizing safety while using your Remington .410 Bore RemChoke Choke Tubes. Enjoy safe and responsible shooting!
