Safety Instruction Guide for Trijicon Credo HX 2.510X56MM SFP Illuminated Rifle Scope

Introduction

Thank you for choosing the Trijicon Credo HX 2.510X56MM SFP Illuminated Rifle Scope. This guide provides essential safety instructions to ensure safe usage and compliance with the EU General Product Safety Regulation (GPSR). Please read this guide carefully before using the product.

General Safety Guidelines

- Ensure safe handling and usage of the rifle scope.
- Be aware of potential hazards associated with firearm accessories.
- Follow all local laws and regulations regarding firearm and scope usage.
- Use the product only for its intended purpose.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly check for updates on product recalls or safety notices.

Specific Safety Precautions for Use

- Always handle the rifle scope with care to avoid damage.
- Do not expose the scope to extreme temperatures or harsh environmental conditions.
- Ensure that the scope is securely mounted to the rifle before use.
- Avoid looking directly at bright lights through the scope to prevent eye damage.
- Use the illumination feature responsibly and avoid unnecessary distractions while aiming.
- Regularly inspect the scope for any signs of wear or damage.
- If you experience any issues with the scope, cease usage immediately and consult a professional.

Instructions for Installation and Usage

1. Installation:

- Ensure that you have all the necessary tools and components before beginning installation.
- Select a suitable rifle for mounting the scope.
- Use the provided 3mm Hex Key to secure the scope onto the rifle's mounting rail.
- Adjust the repositionable magnification lever to suit your shooting position.
- Confirm that the scope is level and securely fastened before proceeding to use.

2. Usage:

- Adjust the eyepiece for a clear view of the reticle.
- Use the userselectable LED brightness settings to adapt to your environment.
- Practice the “botheyesopen” shooting technique for improved accuracy.
- Familiarize yourself with the reticle pattern and its functionality for fast ranging and holdovers.
- Ensure that the eye relief is set correctly to avoid injury when firing.

Disposal Instructions

- Dispose of the product in accordance with local regulations.
- Do not dispose of the scope in regular household waste.
- Remove the CR2032 battery before disposal and recycle it according to local battery recycling guidelines.
- Consult local authorities for specific disposal methods for electronic and optical products.

Contact Information for Further Support

For any safety inquiries or concerns regarding the Trijicon Credo HX 2.510X56MM SFP Illuminated Rifle Scope, please contact the appropriate local authorities or your retailer for assistance.

By following these safety instructions, you can ensure a safe and enjoyable experience with your Trijicon Credo HX rifle scope. Always prioritize safety and stay informed about best practices for firearm accessories. Thank you for your attention to these guidelines.
