Safety Instruction Guide for the CREDO HX 2.515X56MM SFP Illuminated Rifle Scope

Introduction

Thank you for choosing the Trijicon CREDO HX 2.515X56MM SFP Illuminated Rifle Scope. This guide provides essential safety instructions and guidelines to ensure the safe and effective use of your new riflescope. Please read this document carefully before using the product.

General Safety Guidelines

- Ensure the product is used in accordance with all local laws and regulations regarding firearms and optics.
- Always treat every firearm as if it is loaded.
- Store the riflescope in a safe place when not in use, away from children and unauthorized users.
- Regularly inspect the riflescope for any signs of damage or wear. If any issues are noted, do not use the product until it has been inspected by a qualified technician.
- Be aware of your surroundings when using the riflescope, and ensure that you have a clear line of sight to your target.
- Follow all manufacturer instructions for installation, usage, and maintenance.

Specific Safety Precautions for Use

- Do not look directly at the sun or any other bright light source through the riflescope, as this can cause permanent damage to your eyes.
- Avoid using the riflescope in extreme weather conditions (heavy rain, snow, fog) that may impair visibility or affect performance.
- Ensure that the riflescope is securely mounted to your firearm to prevent it from becoming dislodged during use.
- Always use the riflescope with both eyes open to maintain awareness of your surroundings.
- Adjust the brightness settings of the illuminated reticle according to the lighting conditions to avoid eye strain.

Instructions for Installation and Usage

• Installation:

1. Ensure that the firearm is unloaded and pointed in a safe direction.
2. Mount the riflescope on the firearm using the appropriate rings and bases, ensuring a secure fit.
3. Tighten all screws and adjustments according to the manufacturer's torque specifications.
4. Verify that the riflescope is level and aligned with the barrel of the firearm.

• Usage:

1. Adjust the magnification according to your shooting distance and conditions.
2. Set the reticle illumination to the desired brightness level based on the ambient light.
3. Use the eye relief feature to ensure a comfortable viewing position.
4. When aiming, focus on the target and ensure the reticle is aligned properly for accurate shooting.

Disposal Instructions

- Dispose of the product in accordance with local regulations regarding electronic waste and materials.
- Remove the CR2032 battery before disposal and recycle it at a designated battery recycling facility.

- Do not dispose of the riflescope in regular household waste.

Contact Information for Further Support

For any questions or concerns regarding the use or safety of your Trijicon CREDO HX riflescope, please contact the manufacturer or your local retailer for assistance.

Thank you for your attention to these safety instructions. By following these guidelines, you can ensure a safe and enjoyable experience with your Trijicon CREDO HX 2.515X56MM SFP Illuminated Rifle Scope.
