Safety Instruction Guide for CREDO HX 416X50MM SFP ILLUMINATED RIFLE SCOPE

Introduction

Thank you for choosing the Trijicon Credo HX 416x50mm SFP Illuminated Rifle Scope. This guide provides essential safety instructions to ensure your safe and effective use of the product. Please read this guide carefully before using the rifle scope.

General Safety Guidelines

- Ensure that you are familiar with the operation of the rifle scope before use.
- Always handle firearms and firearm accessories with care to prevent accidents.
- Store the rifle scope in a safe place when not in use, away from children and unauthorized users.
- Regularly inspect the rifle scope for any signs of damage or wear. Do not use if damaged.
- Follow all local laws and regulations regarding the use of firearms and firearm accessories.

Specific Safety Precautions for Use

- **Eye Protection:** Always wear appropriate eye protection when using the rifle scope.
- **Firearm Safety:** Treat every firearm as if it is loaded. Keep the muzzle pointed in a safe direction.
- **Environmental Awareness:** Be aware of your surroundings and ensure that your shooting area is clear of people and obstacles.
- **Child Safety:** Keep the rifle scope and all firearms out of reach of children. Educate children on firearm safety if they are present.
- **Weather Conditions:** Avoid using the rifle scope in extreme weather conditions that may impair visibility or affect performance.
- **Battery Safety:** Use only the specified CR2032 battery for the rifle scope. Dispose of used batteries according to local regulations.

Instructions for Installation and Usage

1. Mounting the Scope:

- Choose a compatible mounting system that fits your firearm.
- Securely attach the rifle scope to the firearm according to the manufacturer's instructions.
- Ensure that the scope is aligned properly for optimal accuracy.

2. Adjusting the Scope:

- Use the toolless adjusters to make precise adjustments to the elevation and windage settings.
- Familiarize yourself with the repositionable magnification lever for ease of use.

3. Operating the Reticle:

- To activate the illuminated reticle, press the designated button. Adjust the brightness settings as needed.
- Ensure that the reticle is visible and clear before taking a shot.

4. Sighting In:

- Follow standard procedures for sighting in your rifle scope. This typically involves firing several shots and making adjustments to the scope settings for accuracy.

5. **Storing the Scope:**

- When not in use, cover the scope with the provided bikini caps to protect the lenses.
- Store the rifle scope in a cool, dry place, away from direct sunlight.

Disposal Instructions

- Dispose of the rifle scope and any electronic components, such as batteries, in accordance with local regulations.
- Do not dispose of the rifle scope in regular household waste. Check with local waste management authorities for proper disposal methods.

Contact Information for Further Support

For further assistance or inquiries regarding the Trijicon Credo HX 416x50mm SFP Illuminated Rifle Scope, please refer to the product packaging or the official Trijicon website for support resources.

Conclusion

By following these safety instructions, you can ensure a safe and enjoyable experience with your Trijicon Credo HX 416x50mm SFP Illuminated Rifle Scope. Always prioritize safety and responsible use when handling firearms and accessories. Thank you for your attention to these important guidelines.
