ACCUPOINT 18X24MM SFP RIFLE SCOPE SAFETY INSTRUCTIONS

Introduction

Thank you for choosing the Trijicon AccuPoint® 18x24mm SFP Rifle Scope. This guide provides essential safety instructions and guidelines to ensure the safe and effective use of your new riflescope. Please read this manual carefully before using the product.

General Safety Guidelines

- **Product Safety:** Always ensure the riflescope is used according to the manufacturer's instructions to prevent accidents or injuries.
- **Enhanced Recalls:** Stay informed about any product recalls by checking the EU Safety Gate platform.
- **Online Shopping:** Ensure you purchase from reputable retailers that comply with EU safety regulations.
- **Special Consumer Focus:** This product is not intended for use by children. Keep it out of reach of minors.
- **EU Contact Point:** For any safety inquiries, please refer to the designated EU contact point provided by the retailer.
- **Rapid Alerts:** Be aware of updates regarding product safety through the Safety Gate system.

Specific Safety Precautions for Use

- **Hazard Identification:**
 - Do not look directly at the sun through the riflescope, as this can cause permanent eye damage.
 - Ensure the riflescope is mounted securely to avoid shifts during use.
 - Be cautious of the weight of the riflescope. Ensure your firearm can support the additional weight without compromising safety.
- **Avoiding Hazards:**
 - Always handle the riflescope with care. Avoid dropping or applying excessive force.
 - Use the riflescope only in conditions for which it is designed (e.g., do not expose to extreme temperatures or moisture beyond the specified limits).
 - Regularly check the mounting and adjustment mechanisms for wear or damage.

Instructions for Installation and Usage

- **Installation:**
 - Ensure the firearm is unloaded before installing the riflescope.
 - Follow the manufacturer's instructions for mounting the riflescope securely to the firearm.
 - Adjust the eye relief to ensure a comfortable viewing position without straining your eyes.
- **Usage:**
 - Familiarize yourself with the controls and features of the riflescope before use.
 - Always keep the riflescope pointed in a safe direction.
 - Use the illuminated reticle feature responsibly and ensure it is turned off when not in use to preserve battery life.

Disposal Instructions

- Dispose of the riflescope in accordance with local regulations regarding electronic waste. Do not dispose of in regular household waste.
- Check with local waste management authorities for specific disposal guidelines.

Contact Information for Further Support

For any questions or additional support regarding the Trijicon AccuPoint® 18x24mm SFP Rifle Scope, please refer to the contact information provided by the retailer or manufacturer.

By adhering to these safety instructions, you can ensure a safe and enjoyable experience with your Trijicon AccuPoint® riflescope. Always prioritize safety and be aware of your surroundings while using this product.
