

20 GAUGE SPS COMPACT LENGTH-OF-PULL STOCK FOR REMINGTON 870 - 20GA SPS COMPACT LENGTH-OF-PULL STOCK FOR REMINGTON 870 BLK

REMINGTON 20 GAUGE SPS COMPACT LENGTH-OF-PULL STOCK FOR REMINGTON 870 The Remington STK SPS 20 GA CMPT LOP is a factory-spec compact synthetic stock designed for the Remington 870 20-gauge platform. Built under Remington's Special Purpose Synthetic (SPS) line, this stock offers a rugged, weather-resistant design ideal for field use, home defense, or youth shooters. The compact LOP provides a shorter reach to the trigger, improving control and handling for smaller-frame shooters or anyone who prefers a faster, more maneuverable shotgun. Constructed from durable synthetic material and equipped with a recoil-absorbing buttpad, this OEM stock delivers dependable performance in harsh environments while maintaining the classic 870 ergonomics. It's a direct-fit replacement for 870 20-gauge receivers and an excellent upgrade for improving comfort and handling.

FEATURES

Compact Length of Pull (LOP) — Shorter trigger-to-buttpad distance for improved ergonomics and faster handling. SPS Synthetic Construction — Durable, weather-resistant polymer built for field, tactical, and all-weather use. 20-Gauge Compatibility — Engineered specifically for the Remington 870 20-gauge platform. OEM Fitment — Direct replacement stock with factory-correct dimensions and mounting points. Enhanced Control — Ideal for youth shooters, smaller-frame adults, or close-quarters applications. Recoil Pad Included — Helps reduce felt recoil and improves shooting comfort. Lightweight Design — Maintains balance and maneuverability without sacrificing durability. NOTE: These items are a new, authentic products acquired directly from Remington's OEM inventory. This item is guaranteed to be unused and fully functional.

Safety Instruction Guide for the 20 Gauge SPS Compact Length of Pull Stock for Remington 870

Introduction

Thank you for choosing the 20 Gauge SPS Compact Length of Pull Stock for the Remington 870. This guide provides essential safety instructions and guidelines to ensure the safe and effective use of this product. Please read and understand all sections before installation and use.

General Safety Guidelines

- Ensure that all safety instructions are followed to prevent injury or accidents.
- Always treat firearms and firearm accessories as if they are loaded.
- Keep this product out of the reach of children and unauthorized users.
- Regularly inspect the stock for any signs of damage or wear before use.
- Be aware of your surroundings and ensure you are in a safe environment when handling firearms.
- Follow all local laws and regulations regarding firearm use and storage.

Specific Safety Precautions for Use

- **Compatibility:** This stock is designed specifically for the Remington 870 20gauge platform. Do not attempt to use it with other models.
- **Installation:** Ensure that the stock is installed correctly according to the instructions provided. Improper installation can lead to accidents or malfunctions.
- **Recoil Management:** The recoil pad included with this stock helps reduce felt recoil. Always use the stock with the recoil pad properly installed to enhance shooting comfort.
- **Youth Use:** If the stock is intended for use by youth shooters, ensure that they are supervised by an adult and understand safe firearm handling practices.
- **Field Use:** When using the stock in outdoor environments, be aware of weather conditions that may affect performance. The synthetic material is weatherresistant, but extreme conditions should still be approached with caution.

Instructions for Installation and Usage

1. Installation:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Remove the existing stock from the Remington 870 by loosening the stock bolt with an appropriate tool.
- Align the new SPS stock with the receiver and secure it using the stock bolt. Ensure it is tightened to the manufacturer's specifications.
- Check that the stock is firmly attached and does not wobble.

2. Usage:

- Always wear appropriate eye and ear protection when shooting.
- Hold the firearm securely and ensure your finger is off the trigger until you are ready to shoot.
- Practice proper shooting stance and grip to maintain control of the firearm.
- After use, clean and maintain the stock to ensure longevity and performance.

Disposal Instructions

- When disposing of the stock, follow local regulations for the disposal of synthetic materials.
- If the stock is damaged beyond repair, consider recycling options available in your area.
- Do not dispose of the stock in regular household waste.

Contact Information for Further Support

For any inquiries or concerns regarding the product, please refer to the manufacturer's website or customer service for assistance. It is important to have access to support for any safetyrelated questions or issues.

Conclusion

By adhering to these safety guidelines and instructions, you can ensure a safe and enjoyable experience with the 20 Gauge SPS Compact LengthofPull Stock for Remington 870. Always prioritize safety and responsible firearm use. Thank you for your attention to these important safety measures.
