Safety Instructions for Remington Pistol Grip Assembly for V3 Tac13

Introduction

Thank you for purchasing the Remington Pistol Grip Assembly for the V3 Tac13. This guide provides essential safety instructions to ensure the safe use, installation, and maintenance of your pistol grip assembly. Please read this manual carefully before use to understand the safety precautions and proper handling of the product.

General Safety Guidelines

- Ensure that the product is used in accordance with the manufacturer's instructions.
- Always handle the product with care to avoid accidents or injury.
- Be aware of your surroundings and ensure a safe environment when using or installing the assembly.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly check the product for any signs of wear or damage before use.
- Report any unsafe products or incidents to the appropriate authorities.
- Stay informed about any recalls or safety updates through the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Always wear appropriate safety gear, including eye protection, when handling firearms or firearm accessories.
- Ensure that the firearm is unloaded before installing or adjusting the pistol grip assembly.
- Do not modify the pistol grip assembly in any way, as this may compromise safety and performance.
- Use only compatible models as specified; this assembly is designed specifically for the Remington V3 Tac13.
- Inspect the assembly for any defects or damage before each use.
- Do not exceed the manufacturer's recommended specifications for use.

Instructions for Installation and Usage

1. Preparation:

- Ensure that the firearm is unloaded and pointed in a safe direction.
- Gather necessary tools for installation, such as screwdrivers or wrenches.

2. Installation Steps:

- Remove the old pistol grip assembly by unscrewing it from the firearm.
- Align the new Remington Pistol Grip Assembly with the mounting points on the firearm.
- Securely fasten the assembly using the provided screws, ensuring it is tight but not overtightened to avoid damage.
- Check that the grip is firmly in place and does not wobble.

3. Usage:

- Hold the firearm with a firm grip on the new pistol grip assembly.
- Practice safe handling techniques, including keeping your finger off the trigger until ready to shoot.
- Regularly clean and maintain the grip to ensure optimal performance and longevity.

Disposal Instructions

- Dispose of any packaging materials in accordance with local waste disposal regulations.
- If the product becomes damaged or is no longer in use, follow local guidelines for the disposal of polymer materials.
- Do not dispose of the product in regular household waste if it is considered hazardous or contains components that require special handling.

Contact Information for Further Support

For any questions or concerns regarding the Remington Pistol Grip Assembly for the V3 Tac13, please refer to the manufacturer's official website or contact their customer support for assistance.

Thank you for your attention to these safety guidelines. Your safety and satisfaction are our top priorities.
