Safety Instruction Guide for Remington 700 Alpha One Bolt Stop

Introduction

Thank you for choosing the Remington 700 Alpha One Bolt Stop. This guide provides essential safety instructions to ensure the proper use and maintenance of your product. Please read this guide carefully to understand the safety measures and installation procedures.

General Safety Guidelines

- Ensure that the product is used only for its intended purpose.
- Always follow the manufacturer's instructions and guidelines for installation and use.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the product for signs of wear or damage.
- Report any unsafe products or accidents to the appropriate authorities.
- Check for recall updates on the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Use the bolt stop only with Remington 700 Alpha One actions.
- Do not attempt to modify or alter the bolt stop in any way.
- Ensure that the firearm is unloaded before installing or removing the bolt stop.
- Wear appropriate personal protective equipment (PPE) when handling tools and the bolt stop.
- Do not use the bolt stop if it shows signs of damage or wear.

Instructions for Installation and Usage

1. Preparation

- Ensure that the firearm is completely unloaded.
- Gather necessary tools such as a screwdriver and any other required equipment.

2. Installation Steps

- Remove the existing bolt stop from the firearm, if applicable.
- Align the new Remington 700 Alpha One Bolt Stop with the designated mounting points.
- Secure the bolt stop in place using the appropriate screws and tools.
- Ensure that the bolt stop is properly seated and functions smoothly.

3. PostInstallation Check

- Test the bolt stop by cycling the bolt to ensure proper engagement and functionality.
- Verify that the bolt stop controls the rearward travel of the bolt effectively.

4. Usage Guidelines

- Always ensure the firearm is in a safe condition before using it.
- Regularly check the functionality of the bolt stop during maintenance.
- If any issues arise, consult a qualified gunsmith or contact the manufacturer for assistance.

Disposal Instructions

- Dispose of any old or damaged components in accordance with local regulations.
- Do not dispose of the bolt stop in regular household waste.
- Contact local waste management facilities for guidance on proper disposal methods.

Contact Information for Further Support

For any inquiries or support regarding the Remington 700 Alpha One Bolt Stop, please reach out to the designated EU contact point provided by the manufacturer.

By following these safety instructions, you can ensure the safe and effective use of your Remington 700 Alpha One Bolt Stop. Thank you for prioritizing safety and compliance with EU regulations.
