

CAPARISON CHEEK PIECE PADS FOR LUTH MBA® 1/3/4 - ANARCHY OUTDOORS CAPARISON CHEEK PIECE PADS FOR LUTH MBA 1/3/4 BLACK

ANARCHY OUTDOORS CAPARISON CHEEK PIECE PADS FOR LUTH MBA® 1/3/4
Anarchy Outdoors' Caparison Cheek Piece Pads use a blended EPDM foam. The foam gets precision laser cut for the perfect fit, feel, and function. This combination of foam blends three types: EPDM, neoprene, and SBR, to create a high-quality general-purpose foam. This EPDM blended foam offers superior resistance to water and wear. This resistance comes from its closed-cell construction, helping the foam restrict water, air, and gas absorption. They recommend a couple of dry runs before installing the foam pad. Once installed, the cheek pad is difficult to remove in one piece. SPECS Closed Cell Foam Smooth Texture Rubber Adhesive Backing Thickness: 1/8" Color: Black Made in the USA

Safety Instruction Guide for Caparison Cheek Piece Pads

Introduction

Thank you for choosing the Caparison Cheek Piece Pads for Luth MBA® 1/3/4 by Anarchy Outdoors. This guide provides essential safety instructions to ensure the safe and effective use of this product. Please read this document carefully before using the product.

General Safety Guidelines

- **Product Safety:** Ensure safe use of the Caparison Cheek Piece Pads by following all instructions provided in this guide.
- **Enhanced Recalls:** Be aware that in the event of a safety issue, standardized recall notices will be issued, and free remedies will be provided for dangerous products.
- **Online Shopping:** When purchasing online, ensure that the seller meets all safety requirements as mandated by EU regulations.
- **Consumer Focus:** Extra safeguards are in place for vulnerable groups, including children. Ensure that this product is kept out of reach of children.
- **EU Contact Point:** For any safety inquiries, please contact the relevant EU-based authority or distributor.
- **Rapid Alerts:** Stay informed about any updates on unsafe products through the EU's Safety Gate platform.

Specific Safety Precautions for Use

- **Potential Hazards:**
 - The adhesive backing may cause skin irritation in sensitive individuals.
 - Improper installation may lead to the cheek pad detaching during use, which could result in a loss of control.
- **Avoiding Hazards:**
 - Always inspect the product for any visible damage before use.
 - Ensure the surface where the cheek pad is applied is clean and dry to prevent detachment.
 - Do not use the product if you notice any signs of wear or damage.

Instructions for Installation and Usage

1. Preparation:

- Clean the surface of the stock where the cheek pad will be installed. Ensure it is free from dust, oil, and moisture.
- Dry the area completely before proceeding with installation.

2. Installation:

- Carefully peel off the adhesive backing from the cheek pad.
- Align the cheek pad with the desired position on the stock, making sure it fits snugly.
- Press firmly for at least 30 seconds to ensure a strong bond.
- Allow the adhesive to cure for at least 24 hours before using the product to ensure optimal adhesion.

3. Usage:

- Once the cheek pad is installed, it is recommended to perform a couple of dry runs to ensure

comfort and fit.

- Be aware that the cheek pad is designed to be difficult to remove in one piece once installed.

Disposal Instructions

- Dispose of the Caparison Cheek Piece Pads in accordance with local regulations.
- Do not dispose of the product in regular household waste if it is damaged or worn.
- Check with local disposal authorities for proper disposal methods for polymerbased products.

Contact Information for Further Support

For any questions or concerns regarding the Caparison Cheek Piece Pads, please reach out to your local distributor or consult the EU's Safety Gate platform for more information on safety and recalls.

Thank you for choosing Anarchy Outdoors. We appreciate your commitment to safety and responsible product use.
