Safety Instruction Guide for ALLEN CO STANDARD ENDURA PADDED RIFLE SLING WITH SWIVELS

Introduction

Thank you for choosing the ALLEN CO STANDARD ENDURA PADDED RIFLE SLING WITH SWIVELS. This guide provides essential safety information to ensure the safe use and maintenance of your rifle sling. Please read this guide carefully before using the product.

General Safety Guidelines

- Ensure that the sling is used only for its intended purpose, which is to support a rifle during transport.
- Always inspect the sling for any signs of wear or damage before each use. Do not use if damaged.
- Keep the sling out of reach of children and vulnerable individuals when not in use.
- Follow all local laws and regulations regarding the use and transportation of firearms.
- Report any unsafe products or accidents to the appropriate authorities.
- Check for recall updates on the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Do not exceed the weight limit of 500 pounds for the sling and swivels.
- Ensure that the swivels are securely attached to both the rifle and the sling before use.
- Avoid using the sling in adverse weather conditions that may affect grip or performance.
- Do not modify the sling in any way, as this can compromise safety.
- Use caution when adjusting the sling to prevent pinching or injury to yourself or others.

Instructions for Installation and Usage

1. Installation:

- Locate the swivels on the sling and ensure they are in good condition.
- Attach the front swivel to the rifle's front mounting point. Make sure it clicks into place securely.
- Attach the rear swivel to the rifle's rear mounting point, ensuring it is also securely fastened.
- Adjust the length of the sling as necessary for your comfort and preference.

2. Usage:

- Always carry the rifle with the sling over your shoulder to distribute the weight evenly.
- When not in use, ensure the rifle is pointed in a safe direction and the safety is engaged.
- If you need to adjust the sling while wearing it, do so carefully to avoid losing balance or control of the rifle.

Disposal Instructions

- Dispose of the sling in accordance with local regulations regarding textile waste.
- If the sling is damaged beyond repair, consider recycling the materials where possible.
- Do not dispose of the sling in a manner that could pose a hazard to the environment or public safety.

Contact Information for Further Support
