

# AR-15/M16 ADJUSTABLE GAS BLOCKS - Heavy Gas Block

[Rifle Parts](#) > [Gas System Parts](#) > [Gas Blocks](#)

## Pressure Adjustable For Smoother Cycling

Replaces the factory front sight/gas block and allows you to tune the gas system for smoother cycling and operation. Especially critical on match and varmint rifles when shooting both factory and custom-loaded ammunition. Simple setscrew lets you control the gas flow, so you can customize the setting for each load. Hex head setscrews clamp the block securely to the barrel. Installation instructions included. Low Profile model fits under handguard on .750" barrels. Rugged, all-steel construction resists gas erosion and helps maintain rifle's weight distribution. JPGS-5B and JPGS-5S Low-Profile models have a slimmer profile to reduce weight and to fit under a wider variety of handguards.

## Attributes

- Name: [Heavy Gas Block](#)
- Manufacturer: [JP ENTERPRISES](#)
- Product no.: 452015111
- Mfr. No.: JPGS3
- Inside Diameter: .936
- Make: AR-15

# AR15/M16 Adjustable Gas Blocks Safety Instruction Guide

## Introduction

Thank you for choosing the AR15/M16 Adjustable Gas Blocks Heavy Gas Block. This product is designed to enhance the performance of your firearm by allowing you to adjust the gas flow for smoother cycling and operation. To ensure your safety and the safety of others while using this product, please read and follow the instructions and guidelines outlined in this document.

## General Safety Guidelines

- Always treat your firearm as if it is loaded.
- Ensure that you are in a safe environment when handling your firearm and gas block.
- Familiarize yourself with local laws and regulations regarding firearms and accessories.
- Always wear appropriate safety gear, including eye protection and hearing protection.
- Keep the gas block and surrounding area clean and free of obstructions.
- Store your gas block in a secure location away from children and unauthorized users.
- Regularly inspect your gas block for wear or damage before use.

## Specific Safety Precautions for Use

- Use only compatible ammunition that is designed for your firearm.
- Adjust the gas block settings only when the firearm is unloaded and in a safe condition.
- Do not exceed the recommended settings for gas flow; refer to the installation instructions for guidance.
- If you experience any malfunctions or unusual behavior while using the gas block, cease use immediately and consult a qualified gunsmith.
- Keep hands and body parts clear of the gas block during operation to avoid injury.

## Instructions for Installation and Usage

### Installation Instructions

1. Ensure the firearm is unloaded and pointed in a safe direction.
2. Remove the factory front sight/gas block from the barrel.
3. Position the adjustable gas block onto the barrel, ensuring it aligns correctly.
4. Use the hex head setscrews to clamp the block securely to the barrel.
5. Adjust the gas flow using the simple setscrew to customize the setting for your ammunition load.
6. Ensure the gas block is installed securely and check for proper alignment before using the firearm.

### Usage Instructions

- Before firing, doublecheck that the gas block is properly installed and adjusted.
- After installation, test the firearm in a controlled environment to ensure proper function.
- Make adjustments to the gas flow as necessary based on the performance of the firearm and the ammunition used.
- Always maintain the gas block and surrounding area to ensure optimal performance.

### Disposal Instructions

- Dispose of any packaging materials in accordance with local waste disposal regulations.
- If the gas block is damaged or no longer usable, contact your local waste management authority for proper disposal methods.

- Do not dispose of the gas block in regular household waste; it may contain materials that require special handling.

## **Contact Information for Further Support**

For any inquiries regarding safety, installation, or product performance, please consult the manufacturer or a qualified professional. It is important to seek assistance to ensure the safe and proper use of your AR15/M16 Adjustable Gas Blocks.

## **Conclusion**

Following these safety instructions will help you use your AR15/M16 Adjustable Gas Blocks safely and effectively. Always prioritize safety and be aware of your surroundings while handling your firearm. Thank you for your attention to these guidelines, and enjoy your enhanced shooting experience.
