

# 1911 PRECISION QUALITY BARREL - KART PRECISION BARREL 5" KART 1911 AUTO BARREL, 9MM STD

[Handgun Parts](#) > [Barrel Parts](#) > [Barrels](#)

## Uncompromising Quality For Added Performance & Better Accuracy

Forged from ordnance steel to strict, national match specs; rifled by a proprietary technique that holds lands and grooves to exceptionally close tolerances and leaves the surface finish mirror smooth. Air gauged to maintain .0002" tolerance through the bore. Feed ramps are throated for wadcutter ammo. Standard Barrel - Non-ramped, oversize hood, top and bottom lugs to achieve an exact fit for optimum match accuracy. Ramped Barrel - Fully supports the case head; gives direct feeding from magazine to chamber. Requires machining of frame. Gunsmithing fitting required. Std - Standard barrel, non-ramped. W/N - Wilson/Nowlin Ramp. C/P - Clark/Para Ordnance Ramp

# Safety Instruction Guide for 1911 Precision Quality Barrel

## Introduction

Thank you for purchasing the 1911 Precision Quality Barrel. This guide provides essential safety instructions and guidelines to ensure the safe use of your barrel. Please read this document thoroughly before use.

## General Safety Guidelines

- Ensure that you are familiar with the handling and use of firearms before using this product.
- Always treat every firearm as if it is loaded.
- Store the barrel in a secure location, away from children and unauthorized users.
- Regularly inspect the barrel for any signs of wear or damage before use.
- Follow all local laws and regulations regarding firearms and ammunition.
- Use appropriate personal protective equipment (PPE) when handling firearms, including eye and ear protection.
- Be aware of your surroundings when using firearms, and ensure a safe and controlled environment.

## Specific Safety Precautions for Use

- **Hazard Identification:**
  - Improper installation or use may lead to firearm malfunction, resulting in injury or death.
  - Ensure that the barrel is compatible with your firearm model (1911 Government).
  - Be cautious of excessive heat generated during firing, which may affect the barrel's integrity.
- **Instructions for Avoiding Hazards:**
  - Always have a qualified gunsmith perform the installation if you are not experienced.
  - Do not attempt to modify the barrel beyond its intended use.
  - Use only recommended ammunition (9 mm Luger) to prevent malfunctions.
  - Regularly clean and maintain the barrel to ensure optimal performance.
- **Age Specific Warnings:**
  - This product is intended for use by individuals aged 18 and older.
  - Keep the barrel and all firearms out of reach of children.

## Instructions for Installation and Usage

- **Installation:**
  - Ensure the firearm is unloaded and pointed in a safe direction.
  - Remove the existing barrel according to the manufacturer's instructions.
  - Install the 1911 Precision Quality Barrel by following these steps:
    - Align the barrel with the slide and frame.
    - Secure the barrel in place, ensuring it is tightly fitted.
    - Check for proper alignment and functionality before use.
- **Usage:**
  - Load the firearm with appropriate 9 mm Luger ammunition.

- Ensure the safety is engaged when not in use.
- Fire in a safe and controlled environment, following all safety protocols.
- After firing, allow the barrel to cool before handling.

## **Disposal Instructions**

- Dispose of the barrel in accordance with local regulations regarding hazardous materials.
- If the barrel is damaged or no longer in use, consider contacting a local gunsmith or firearms dealer for proper disposal methods.
- Do not discard the barrel in regular household waste.

## **Contact Information for Further Support**

For any safety inquiries or concerns regarding your 1911 Precision Quality Barrel, please contact the manufacturer or a qualified firearms expert. Always ensure you are following the latest safety guidelines and regulations.

Thank you for prioritizing safety while using your 1911 Precision Quality Barrel. Your awareness and care can help prevent accidents and ensure a positive experience with your firearm.
