[Gun Cleaning & Chemicals](#) > [Solvents & Degreasers](#) > [Bore Solvents](#)

## Sophisticated Solvents That Take The Chore Out Of Bore Cleaning

Blended with lead and carbon removing agents to make quick work of fouled rimfire bores. Strips caked-on bullet lubricant and heavy leading from match barrels, as well as cowboy action guns that shoot a lot of soft, cast lead bullets. Leaves behind a protective, corrosion inhibiting film.

## Attributes

- Name: [4 OZ. RIM FIRE BLEND](#)
- Manufacturer: [BORE TECH](#)
- Product no.: 509000023
- Mfr. No.: BTCF-17004
- Size: 4 oz
- Delivery weight: 0.136kg
- Shipping height: 130mm
- Shipping width: 28mm
- Shipping length: 38mm
- UPC: 667739170048

# RIM FIRE BLEND 4 OZ. Safety Instruction Guide

## Introduction

Thank you for choosing RIM FIRE BLEND, a specialized bore solvent designed to effectively clean fouled rimfire bores. This guide provides essential safety instructions to ensure the safe handling and use of this product in compliance with the EU General Product Safety Regulation (GPSR).

## General Safety Guidelines

- Ensure product is stored out of reach of children and pets.
- Use in a wellventilated area to avoid inhalation of vapors.
- Avoid contact with skin and eyes. Wear protective gloves and goggles if necessary.
- Do not ingest. This product is not for consumption.
- Always read the label and follow instructions carefully.

## Specific Safety Precautions for Use

### • Potential Hazards:

- Flammable: Keep away from heat sources and open flames.
- Skin and Eye Irritant: May cause irritation upon contact.
- Inhalation Hazard: Prolonged exposure to vapors may cause respiratory issues.

### • To Avoid Hazards:

- Do not smoke or use near open flames while using the product.
- Use appropriate personal protective equipment (PPE) such as gloves and goggles.
- In case of skin or eye contact, rinse immediately with plenty of water and seek medical advice if irritation persists.
- If inhaled, move to fresh air and seek medical attention if symptoms develop.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Gather necessary cleaning materials, including cleaning patches, jag, and a cleaning rod.

### 2. Application:

- Shake the RIM FIRE BLEND bottle well before use.
- Apply a small amount of RIM FIRE BLEND to a cleaning patch or directly into the bore.
- Allow the solvent to sit for a few minutes to penetrate fouling and leading.

### 3. Cleaning:

- Use a cleaning rod with a jag to push the cleaning patch through the bore.
- Repeat the process until the patch comes out clean.
- For heavily fouled barrels, additional applications may be necessary.

### 4. PostCleaning:

- Wipe down the bore with a clean, dry patch.

- Apply a light coat of oil to protect the bore from corrosion.
- Dispose of used patches and any excess solvent in accordance with local regulations.

## **Disposal Instructions**

- Dispose of RIM FIRE BLEND in accordance with local hazardous waste disposal regulations.
- Do not pour down the drain or throw in regular trash.
- Ensure containers are tightly sealed before disposal.

## **Contact Information for Further Support**

For safety inquiries or further assistance, please contact the manufacturer directly. Ensure you have the product information ready for reference.

By following these guidelines, you can safely and effectively use RIM FIRE BLEND to maintain your firearms. Your safety is our priority, and we appreciate your attention to these important instructions.
